S. Lewis and the Inklings Jason Fisher, Mark Hall, Salwa Khoddam, 2015-09-18 This is a unique collection of two of the Inklings and their literary associates views on the negative impacts of technology in various areas of life and the resolution of these impacts through fellowship with others and faith in the Creator Some of these essays offer suggestions on how ensnarement by social media and surrender to modern technology can be countered by surrender to God Other essays also demonstrate how the significant literary craft of these authors can enchant readers and invite them into fairylands from which they return empowered and with a keener spiritual vision to tackle universal and present concerns Approaching Literature Peter Schakel, Jack Ridl, 2007-12-24 Developed by authors with more than 50 years of teaching experience between them Approaching Literature has been designed as a true alternative to more traditional literature anthologies The authors conceived this anthology with three principles in mind 1 that exposing students to the widest array of literature can help every one find common ground with that literature 2 that contemporary literary works can serve as entry points to reading and appreciating the canonical literature that students often find unfamiliar intimidating and sometimes irrelevant and 3 that the instruction in reading and writing about literature should be accessible and jargon free to all students not just potential English majors With its streamlined and student friendly instructional text and its ongoing commitment to showcasing the most engaging and diverse literary works publishing right now Approaching Literature is built from the ground up with today's students in mind **South Atlantic Review**, 2005 **Directory** Modern Language Association of America, 2005 Approaching Literature + Rules for Writers 7e Peter Schakel, Jack Ridl, Diana Hacker, Nancy Sommers, 2012-06-08 **Approaching Literature with 2009 MLA Update** Peter Schakel, Jack Ridl, 2010-08-03
