Tomlinson,2018-12-09 I have collected many many pulps over the years but at the back of my mind I always hoped to edit one My first job as editor of two trade newspapers deluded me I created a presentation and went to the publisher He listened but he never spoke about it I worked at many newspapers and magazines but no one was interested I founded a few magazines The Antediluvian Levee The Game s Afoot Different Deaths Ride of the Horsemen etc I then tried to start the kind of magazine you hold It didn t work then though I just didn t have time to do it Finally in late 2018 I started working on it pulling writers and artists together doing some preliminary designs etc The first few issues came together so fast that I pressed on I didn t hesitate but got the first issue into print as soon as possible This book is a collection of nearly everything that appeared in the four issues of Phenomenal Stories Volume 1 There s also a best of collection magazine titled Lost Carcosa available
