At Peace With War A Chaplains Meditations From Afghanistan:

At Peace with War Harold Ristau, 2012-08-22 Although the moral and ethical dimensions of NATO presence in Afghanistan has been the focus of debate by politicians and media alike questions of the religious culture and spirituality that underlie the complexities of both the conflict and convictions of those affected have rarely been discussed The entries of this thought provoking journal offer a unique window into this strange and unpredictable war torn realm from the perspective of a Christian army chaplain who has experienced the terrors of war from the foxhole This diary represents the brutally honest yet deeply spiritual reflections and questions of a Lutheran clergyman whose aim is not to justify but to record the life of faith Join Padre Ristau in a journey marked by episodes of wonder and struggle celebration and hardship and come away changed True stories some inspiring some frightening Yet none of them remain unfamiliar to the Divine **Bringing God to Men** Jacqueline E. Whitt, 2014 Bringing God to Men American Military Chaplains and the Vietnam War **Spiritual Warfare and Deliverance** Harold Ristau, 2025-07-29 There is much more to our common struggles than meets the eye navigate spiritual warfare with Christian maturity and wisdom covers both ordinary spiritual warfare like personal temptation and extraordinary encounters such as demonic oppression possession and exorcisms from a pastor missionary and former military chaplain Our modern Western world is deeply confused about what is good and what is evil We know little about angels and demons though the Scriptures we purport to believe have much to say about them We blur the distinction between God and the devil And we are paying for it Denial of reality does not change reality Drawing from Scripture history and his own experiences as a missionary and a military chaplain Harold Ristau helps Christians develop a biblical understanding of our spiritual vulnerability in both ordinary life such as personal temptation and extraordinary situations such as demonic oppression and possession He takes us beyond theory where many other resources stop laying out practical tools to equip us for our own personal battles and steps to take to protect ourselves and others from the evil forces at work in our world And he lays out an effective proven process for mature ministers and clergy to follow when performing an exorcism There is much more to the struggles we face in life than meets the eye If you want to be prepared for the battles that lie ahead this book is your grounded thorough and hope filled guide to ministering to the demonically oppressed or possessed Military Chaplains as Agents of Peace S. K. Moore, 2013-01-01 Globally where faith and political processes share the public space with indigenous populations religious leaders of tolerant voice who desire to transcend the conflict that often divides their peoples are coming forward Affirming and enabling these leaders is increasingly becoming the focus of the reconciliation efforts of peace builders both internally and externally to existing conflict By way of theoretical analysis and documented case studies from a number of countries Military Chaplains as Agents of Peace considers Religious Leader Engagement RLE as an emerging domain that advances the cause of reconciliation via the religious peace building of chaplains A construct that may be generalized to expeditionary humanitarian and domestic operational contexts An overview of the benefits and limitations
