Alexander von Bormann

Ata Ata By Dido Sotiriou:

Porcelain Moon and Pomegranates Üstün Bilgen-Reinart, 2007-01-01 For millennia the land now called Turkey has been at the crossroads of history A bridge between Europe and Asia between West and East between Christianity and Islam the peninsula also known as Anatolia the place where the sun rises is one of the oldest continually inhabited regions on the planet In this unique blend of memoir and travel literature st n Bilgen Reinart explores the people politics and passions of her native country whisking the reader on a journey through time memory and space She searches deep into the roots of her own ancestry and uncovers a family secret breaks taboos in a nation that still takes tradition very seriously and navigates through dangerous territory that sees her investigating brothels in Ankara probing honour murders in Sanliurfa encountering Kurds in the remote southeast and witnessing the rape of the earth by a gold mining company in Bergama

The Other Self Dēmētrēs Tziovas, 2003-01-01 The Other Self is the first English language book length literary analysis of some of the most celebrated Greek novels of the nineteenth and twentieth centuries A must read for anyone interested in Greek literature and culture it offers both a solid introduction to modern Greek literature and close reading of individual texts Author Dimitris Tziovas focuses on the issues of identity autobiography and social determinism raised in these texts providing a fresh perspective and suggesting new ways of exploring forms of engagement between self and society Greek narratives of self Tziovas suggests are not naked and transparent presentations of existence but articulations of the relationship between the individual and the social world they are negotiations of the past through the otherness of the present A compelling demonstration of the richness and complexity of modern Greek fiction The Other Self provides exciting and challenging interpretations of Greek literature and Greek society

When Greeks think about Turks Dimitrios Theodossopoulos, 2013-09-13 Drawing upon anthropological studies that document culturally specific ways of perceiving ethnic Others in Greece and Cyprus this book explores the cultural boundaries of the categories Greek and Turk and compares views on what it means to be one of these ethnic groups or both The contributors examine the opinions of diverse social groups such as ordinary middle class citizens intellectuals army officers children villagers refugees from Asia Minor and Greek and Turkisj Cypriots They also investigate the local attitudes to international politics and highlight the contextual as opposed to immutable and essentialist meaning of evaluations about nations such as Greece Turkey and Cyprus and their citizens When Greeks think about Turks carefully unpacks the cultural meaning of popular metaphors stereotypes and versions of history as these are articulated in the context of discussions about the Turks in Greece It sets the template for understanding how local perceptions of resemblance and difference provide a conceptual framework for defining and negotiating ethnic identity at the local national and international level It sheds valuable light on the politics of identity making and the constitution of nationalism in Greece and Cyprus This book was previously published as a special issue of South European Society and Politics
