Christian Theologies of Salvation Justin S. Holcomb, 2017-10-31 This text introduces the reader to the great variety of distinctive interpretations within the Christian tradition regarding theologies of salvation distinctive interpretations expressed by a wide range of Christian theologians

Trinitarian Pneumatological Personhood and the Theology of John Zizioulas Ronald L. Adkins II, 2023-02-28 In a growing secular society what distinguishes a Christian from a non Christian Is a Christian identified by certain religious and ceremonial activity social action principles or do their relationships identify them as Christian This book suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit Furthermore this living relationship reflects the eternal relationship of the Father Son and Holy Spirit because people have been created in the image and likeness of the Triune God This book uses historical theological philosophical and biblical approaches to understand the Christian person Throughout this book the reader will be engaged with the modern Greek theologian John Zizioulas However this book is a study on the person of the Holy Spirit though never separated from the trinitarian relationship who makes a human person a Christian

Alexandrian Legacy Mario Baghos, Doru Costache, Philip Kariatlis, 2015-09-04 This volume brings together contributions exploring a range of aspects of the Alexandrian patristic tradition from the second half of the second century to the first half of the fifth century a tradition whose complex and significant legacy is at times misunderstood and in some quarters wholly neglected With contributions by both Australian and international scholars the fourteen chapters here highlight that behind the complexity of this tradition one finds a vibrant Christian spirit granted one that has successfully put on the flesh of Hellenistic culture and a consistent striving towards the reformation and transformation of the human being according to the gospel Furthermore this volume contributes a nuanced voice to the scholarly choir which already hums a new song about Christian Alexandria and its representatives Indeed these contributions are interdisciplinary in approach combining methods pertaining to the fields of historiography theology and philosophy pastoral care hermeneutics hagiography and spirituality By way of this complex approach this book brings together areas which currently evolve in separate scholarly universes which is wholly befitting to the complexities entailed by the ever challenging Alexandrian legacy

David

Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past

The Hexagon of Heresy James D. Gifford Jr., 2022-11-11 Have you ever wondered how we got here Have you ever wondered how Western civilization arrived at the brink of suicide How did a thoroughly Christian culture give rise to the very ideas that seek to kill it Constantinople was conquered by the Ottoman Turks Western civilization has never been conquered from without it is being conquered from within How do philosophies like deism fatalism Marxism atheism and secular humanism arise from within the confines of the Christian theological culture that is Western civilization Also why are there always exactly two sides to every fundamental disagreement Why is it either liberal or conservative sovereignty or freedom rational or volitional meticulous order or complete chaos Catholic or Protestant Lutheran or Reformed God or humanity the one or the many Why is there never a third option or even an option that can bypass the dichotomy This book attempts to provide a framework that seeks to begin answering some of those questions The answer may be something very ancient and almost forgotten in today s world Theological decisions were made long ago that planted the seeds for the destruction of both church and civilization What are they Read and find out **Delivered from the Elements of the World** Peter J.

Leithart, 2016-03-30 In this wide ranging study bursting with insights Peter Leithart explores how and why Jesus death and resurrection addresses the deepest realities of this world This biblical and theological examination of atonement and justification challenges conventional perceptions and probes the depths of the death that changes everything **The Lion,**

the Dove, & the Lamb, Revised Edition A. Bryden Black, 2018-12-14 How might the formal Christian doctrine of the Trinity make a real concrete difference in the lives of individuals and in the life of the church This book proposes there are two parts to answering this important but elusive question In the first place how on earth did the Early Church actually reach its conclusions about this understanding of God and why What s the real point behind their endeavors How might we

apprehend what is otherwise sheer mystification or even nonsense in some people's minds. Arising out of the answers to such questions we can secondly construct an appropriately simple model of the Trinity. By means of this model we can understand with sufficient justice the ways the triune God has come among us in our human history ways that are still ongoing today. For the proposed model allows us to begin to appreciate the true mystery of the Christian Faith while also making a practical difference to the lives of Christian discipleship in prayer, worship and mission.

Paul and the Trinity Wesley

Hill, 2015-03-10 Paul's ways of speaking about God, Jesus and the Spirit are intricately intertwined, talking about any one of the three for Paul implies reference to all of them together. However, much current Pauline scholarship discusses Paul's God, Christ and Spirit language without reference to trinitarian theology. In contrast to that trend, Wesley Hill argues in this book that later post-Pauline trinitarian theologies represent a better approach, opening a fresh angle on Paul's earlier talk about God, the Father, Jesus Christ and the Spirit. Hill looks critically at certain well-known discussions in the field of New Testament studies, those by N.T. Wright, Richard Bauckham, Larry Hurtado and others, in light of patristic and contemporary trinitarian theologies, resulting in an innovative approach to an old set of questions. Adeptly integrating biblical exegesis and historical systematic theology, Hill's *Paul and the Trinity* shows how trinitarian theologies illumine interpretive difficulties in a way that more recent theological concepts have failed to do. Beyond Old and New Perspectives on Paul Chris Tilling, 2014-05-05

New Testament studies are witnessing many exciting developments. And Douglas Campbell's groundbreaking publications are an important contribution to future discussions relating to Paul. Familiar problems relating to justification, old and new perspectives and much more besides have been tackled in fresh and exciting ways, setting down challenge after challenge to all those involved in Pauline studies. Campbell's publications therefore demand serious engagement. This book seeks to facilitate academic engagement with Campbell's work in a unique way. It contains numerous chapters critiquing his proposals while others summarize the key themes succinctly. But it also contains Campbell's own response to the reception of his work, allowing him space to outline how his thinking has developed. In so doing, this work allows readers to be drawn into a vitally important conversation. It is academic theology in the making and constitutes the cutting edge of Pauline studies.

The Lion, the Dove, & the Lamb A. Bryden Black, 2015-06-22

How might the formal Christian doctrine of the Trinity make a real, concrete difference in the lives of individuals and in the life of the church? This book proposes there are two parts to answering this important but elusive question. In the first place, how on earth did the Early Church actually reach its conclusions about this understanding of God and why? What's the real point behind their endeavors? How might we apprehend what is otherwise sheer mystification or even nonsense in some people's minds? Arising out of the answers to such questions, we can secondly construct an appropriately simple model of the Trinity. By means of this

model we can understand with sufficient justice the ways the triune God has come among us in our human history ways that are still ongoing today For the proposed model allows us to begin to appreciate the true mystery of the Christian Faith while also making a practical difference to the lives of Christian discipleship in prayer worship and mission **Today When You Hear His Voice** Gregory W. Lee ,2016 Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture s own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture Today When You Hear His Voice by Gregory W Lee fills this gap by listening carefully to the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God s direct address in the contemporary moment

Dreams, Virtue and Divine Knowledge in Early Christian Egypt Bronwen Neil,Doru Costache,Kevin Wagner,2019-04-25 Explores the significance of dreams in early Christian Egypt using sources from Philo and Origen to Athanasius and early monks **Reconsidering Creation Ex Nihilo in Genesis 1** Nathan J. Chambers,2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church s commitment to reading Genesis 1 as part of Christian Scripture Through original close readings of the chapter that engage critically with the work of Jon Levenson Hermann Gunkel and Brevard Childs Chambers demonstrates that far from precluding interpretive possibilities reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship Timely and innovative this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians Christ and the New Creation Matthew Y. Emerson,2013-04-10 In Christ and the New Creation Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology Although typically confined to Old Testament theology Emerson sees fruitfulness in applying this method to New Testament theology as well Instead of a thematic or book by book analysis Emerson attempts to trace the

primary theological message of the New Testament through paying attention to its narrative and canonical shape He concludes that the order of the books of the New Testament emphasize the story of Christ's inauguration commissioning and consummation of the new creation
