The chapters in this volume cover all aspects of the work of Adolf Deissmann (1866-1937). Following his main works, the authors highlight crucial aspects and impulses from his philological work on the New Testament, including the interpretation of Paul, Light from the Ancient East, the social status of the first Christians, and the lexicography of the New Testament. His background in the Lutheran Church of Hessen-Nassau, his contribution to the ecumenical movement together with Nathan Söderblom, and through the Evangelische Wochenbriefe during World War II, and his role as rector of the Berlin University in 1930-1931 are also discussed. The contributions illustrate that notwithstanding his ecumenical engagement, Deissmann never gave up his scholarly work. The essays trace the influence of his philological and historical work among his students and place contemporary debates on Deissmann as philologist and theologian in their historical context. Dieser Band widmet sich in neun Einzelbeiträgen der gesamten Breite des Schaffens von Adolf Deissmann (1866-1937). Entlang der Hauptwerken werden

wesentliche Aspekte und Impulse aus seiner philologisch orientierten Arbeit am Neuen Testament neu gewürdigt Interpretation der Paulusbriefe Licht vom Osten Unterschichtenthese neutestamentliche Lexikographie etc Daneben geht es um seine Herkunft aus der Evangelischen Kirche in Hessen Nassau um sein Wirken in der kumenen am Beispiel der Beziehung zu Nathan S derblom und der Arbeit an den Evangelischen Wochenbriefen im Ersten Weltkrieg sowie um seine Rolle als Rektor der Berliner Universität von 1930 bis 1931 Die Beiträge zeigen dass Deissmann trotz seines kumenischen Engagements seine wissenschaftliche Arbeit nicht aufgegeben hat Die Aufsätze gehen den Wirkungen seiner philologisch historischen Arbeit unter seinen Schülern nach und stellen die zeitgenössischen Debatten um den Philologen und Theologen Deissmann in ihren historischen Kontext

Reading the Bible for a Change, Second Edition Ray Lubeck, 2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers? Can I simply pick and choose for myself the verses I think best fit my situation? Who gets to decide? Is there a different meaning for each individual reader? What am I supposed to know to read the Bible well? Ray Lubeck has devoted his life to helping others discern for themselves God's truth in the Scriptures and to showing them how it relates to their everyday lives. *Reading the Bible for a Change* will guide you in how to read each biblical passage in light of its literary style and larger context. Ask and explore the most fruitful questions for understanding the meaning of a passage. Avoid common interpretive mistakes. Hear God, the divine Author, speak through the Bible's human authors. Identify the life-changing truths of Scripture that apply to life today. Move beyond merely reading the Bible to being shaped by and following it. Having taught for over three decades at the undergraduate and graduate levels as well as in many ministry contexts, Ray values the importance of holding the interest of students of the Bible. This book is written in an accessible and engaging style using illustrations, charts, stories, and relevant examples to help the reader grasp key concepts. The second edition has been extensively revised in light of recent scholarly developments and years of use within the classroom, incorporating substantial amounts of updates and new material. *Reading the Bible for a Change* will equip you with the tools to discover for yourself the life-changing truths revealed in God's word. If you begin practicing these steps, you will embark on a lifetime journey of Scripture reading that will enable you to see for yourself how captivating and transforming it is when we read the Bible on its own terms rather than on ours.
