The Survivors Eleanor H. Ayer, 1998 Describes the conditions of Holocaust survivors when they were liberated as well as their struggle as they attempt to rebuild their lives

John Barth and Postmodernism Berndt Clavier, 2007 John Barth s eminence as a postmodernist is indisputable However much of the criticism dealing with his work

is prompted by his own theories of exhaustion and subsequent replenishment leaving his writing relatively untouched by theories of postmodernism in general This book changes that by focusing on the relationship between Barth's aesthetic and the ideology critique of the historical avant gardes which were the first to mobilize art against itself and its institutional practices and demands Examining Barth's metafictional parodies in the light of theories of space and subjectivity Clavier engages the question of ideology critique in postmodernism by offering the montage as a possible model for understanding Barth's fiction In such a light postmodernism may well be perceived as a mimesis of reality particularly a recognition of the collective nature of self and the world

Long Journey Back G.B. "Sonny" Clayton, 2011-05-04 A person can make many choices in their life how it turns out is what choice one makes My sons have made some bad ones hopefully they will learn from their mistakes I made so many bad choices in my life I only wish I could do them over again But you learn by making mistakes Sean and Danny's lives will forever be altered by their bad selections Sean will have lost almost 6 years of watching his little girls grow up at least Danny is only facing 15% of his 5 years He hopefully he will be home by August of this year No one has ever said life is easy or fair Life is what you make it Like Sinatra said in song I've got the world on a string setting on a rainbow at one time that was me I had it all I thought there was no end to it but a bad choice ruined it all As I sit here pondering over my life I truly know now that this was for me The Long Journey Back

Being Truly Human Mark Mah, 2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life's struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves
