Yoga, the Body, and Embodied Social Change Beth Berila, Melanie Klein, Chelsea Jackson Roberts, 2016-09-09 Yoga the Body and Embodied Social Change is the first collection to gather together prominent scholars on yoga and the body Using an intersectional lens the essays examine yoga in the United States as a complex cultural phenomenon that reveals racial economic gendered and sexual politics of the body From discussions of the stereotypical yoga body to analyses of pivotal court cases Yoga the Body and Embodied Social Change examines the sociopolitical tensions of contemporary yoga Because so many yogic spaces reflect the oppressive nature of many other public spheres the essays in this collection also examine what needs to change in order for yoga to truly live up to its liberatory potential from the blogosphere around Black women's health to the creation of queer and trans yoga classes to the healing potential of yoga for people living with chronic illness or trauma While many of these conversations are emerging in the broader public sphere few have made their way into academic scholarship This book changes all that The essays in this anthology interrogate yoga as it is portrayed in the media yoga spaces and yoga as it is integrated in education the law and concepts of health to examine who is included and who is excluded from yoga in the West The result is a thoughtful analysis of the possibilities and the limitations of yoga for feminist social transformation

Sex Scandal Ashley McGuire, 2017-02-13 Men and women used to cheer vive la difference But now contrary to all science and common sense we're supposed to believe that there is no difference And if you insist there is you just might be accused of a hate crime Our culture and our laws are endorsing a worldview rooted in craziness For instance we're told that Boys who think they're girls and who could change their minds tomorrow should be allowed to participate in girls sports and shower in their locker rooms Expectant mothers are now birthing individuals Coed college dorm rooms and bathrooms are great but single sex clubs are a campus danger It's horrible for stores to have separate boys and girls clothing departments let alone toy sections It would be a great idea for our military to lower physical standards and push young women and mothers into combat roles in the military If you think that's insanity you're not alone but you might be surprised at just how widespread and successful this lunatic campaign has become In her compelling new book *Sex Scandal* journalist Ashley McGuire takes this radical campaign to task and reveals How so called gender norming flies in the face of science which is proving that men and women are even more different than commonly acknowledged Why especially if you have kids it's almost impossible to avoid the dangerous consequences of a gender neutral world How embracing sexual differences can make policing safer government more efficient and hedge funds lose less money How gender neutrality is making women more vulnerable to violence How the word gender formerly a

grammatical term has been used to dismiss the reality of definite biological sex male and female with fluid gender identities Why gender insanity is not something we can just ignore and hope will fade away but need to refute now with hard cold facts before it does any more damage which it likely will Sex Scandal The Drive to Abolish Male and Female is packed with news breaking interviews shocking examples and inconvenient facts that everyone needs to read and act on **Women and**

Resistance in Contemporary Bengali Cinema Srimati Mukherjee,2016-01-13 Historically Indian cinema has positioned women at the intersection of tradition and a more evolving culture portraying contradictory attitudes which affect women s roles in public and private spheres Examining the work of three directors from West Bengal this book addresses the juxtaposition of tradition and culture regarding women in Bengali cinema It argues the antithesis of women s roles particularly in terms of ideas of resistance revolution change and autonomy by suggesting they convey resistance to hegemonic structures encouraging a re envisioning of women s positions within the familial social matrix Along with presenting a perception of culture as dynamic and evolving the book discusses how some directors show that with this rupturing of the traditionally prohibitive and a notion of unmaking and making in women a traditional inclination is exposed to align women with ideas of absence substitution and disposability The author goes on to show how selected auteurs in contemporary Bengali cinema break with certain traditional representations of women gesturing towards a culture that is more liberating for women Presenting the first full length study of women s changing roles over the last twenty years of Bengali cinema this book will be a useful contribution for students and scholars of South Asian Culture Film Studies and Gender Studies Gamer Girls Mary Kenney,2022-07-19 Discover the women behind the video games we love the iconic games they created the genres they invented the studios and companies they built and how they changed the industry forever Women have always made video games from the 1960s and the first of its kind projector based Sumerian Game to the

blockbuster Uncharted games that defined the early 2000s Women have been behind the writing design scores and engines that power one of the most influential industries out there In Gamer Girls now you can explore the stories of 25 of those women Bursting with bold artwork easy to read profiles and real life stories of the women working on games like Centipede Final Fantasy Halo and more this dynamic illustrated book shows what a huge role women have played and will continue to play in the creation of video games With additional sidebars about other influential women in the industry as well as a glossary and additional resources page Gamer Girls offers a look into the work and lives of influential pixel queens such as Roberta Williams one of the creators of the adventure genre Mabel Addis Mergardt the first person to write a video game Muriel Tramis the French knight of video games Keiko Erikawa creator of the otome genre Yoko Shimomura composer for Street Fighter Final Fantasy and Kingdom Hearts Rebecca Heineman first national video game tournament champion Danielle Bunten Berry creator of M U L E and early advocate for multiplayer games and more Whether you re a gamer girl who plays video games a gamer girl who makes video games or a parent raising a gamer girl this entertaining inspiring book

Stubblebine, 2015-06-08 This work a companion to the author's Broadway Sheet Music A Comprehensive Listing of Published Music from Broadway and Other Stage Shows 1918 through 1993 McFarland 1996 provides information about all sheet music published 1843 1918 from all Broadway productions plus music from local shows minstrel shows night club acts vaudeville acts touring companies and shows on the road that never made it to Broadway and all the major musicals from Chicago **Radical by Nature** James T. Costa, 2023-03-21 Alfred Russel Wallace 1823 1913 was perhaps the most famous naturalist in the world by the end of his life explorer extraordinaire co discoverer with Darwin of the principle of natural selection collector of thousands of species new to science and best selling author Wallace had fallen into obscurity in the 20th century largely eclipsed by Darwin but the 2013 centennial of his death led to renewed interest and Wallace is likely to garner attention again in 2023 with the bicentennial of his birth Against this backdrop James Costa is proposing a new biography of Wallace The chapters are arranged chronologically treating the arc of Wallace's life in a narrative that interweaves key events with the development of Wallace's thought He devote extra space to the 8 year Malay Archipelago odyssey as the adventure that Wallace himself declared the central and controlling incident of his life and became foundational to modern evolution and biogeography Costa of course discusses Wallace's famous correspondence with Darwin and how Wallace graciously applauded Darwin's achievement and became one of his closest friends and defenders In later years Wallace became associated with the spiritualist movement and taking up a range of social causes including championing better working conditions land preservation reform in public education and legal rights for women Ultimately Costa argues that the key to understanding Wallace is to realize that he was singularly open to novel even radical ideas in scientific and social realms
