Police Intelligence Wayne L. Davis, Paul J. Leslie, Ashley B. Davis, 2023-03-30 Police Intelligence Totality of Circumstances is an essential resource and is designed for any individual who may encounter the field of criminal justice whether the person is a police chief who oversees the department's standard operating procedures a police officer who enforces the law a civilian who is expected to follow the law a lawyer who may challenge an action in court or a judge who will interpret the law This book in part applies math and logic to laws and policies to objectively assess them Laws and policies are written as English logical statements English logical statements can be converted into mathematical logical statements which can be objectively assessed via Boolean algebra Specifically truth tables Venn diagrams flowcharts logic gates and logic circuits can all be used to assess laws policies and proper police actions For example mathematically it is not a glass blue marble means almost the exact opposite of it is not glass not blue and not marble In addition one must consider existential and universal quantifiers conditional statements and subsets to correctly interpret laws and policies Thus it is important for individuals to understand how to mathematically assess English logical statements e.g. the law because if they do not opponents in court may do it for them This book is important because collecting and understanding information and effectively communicating are vital skills in law enforcement It discusses different reference points for assessing good behavior different lenses of truth limitations of information and assumptions Furthermore it examines a variety of ways to collect and assess information which include interrogation techniques interviewing techniques an interrogatory and a deposition ciphering and deciphering messages body language handwriting analysis job interview questions and crime scene search patterns The chapters present a methodological reasoning process that is sorely lacking among police agencies and one that is essential for developing critical thinking skills and carrying out orders within legal confines Police Intelligence Totality of Circumstances is an indispensable resource for helping students and officers to collect and assess information Whether it is verbal or nonverbal information ciphered messages or using different bases for numeric communication individuals in criminal justice should learn to think outside the box to collect and understand available information

An Exchange of Hostages Susan R. Matthews, 1997-04-01 Under Jurisdiction torture isn't about truth It's about terror The Jurisdiction's Bench has come to rely on the institutionalized atrocities of the Protocols to maintain its control of an increasingly unstable political environment When Andrej Koscuisko a talented young doctor reports to orientation as a Ship's Inquisitor he will discover in himself something far worse than a talent for inflicting grotesque torments on the Bench's enemies He will confront a passion for the exercise of the Writ to Inquire whose intensity threatens to consume him utterly As he struggles to find some thread of justice and compassion under the Law as he fights to hang on to what remains to him of his sanity he will make powerful enemies who are eager to use his knowledge his empathy his passion against anyone who challenges the Bench At the
