bottom and can only see one way out believing he has nothing to live for he contemplates ending his life Before he can go through with it Agent Maguire turns up at his door Representing The Company he offers something that most people never get a second chance to make something of his life An opportunity to be part of something bigger than anything Stephen can imagine the offer to be part of Project Blue Chrysalis Established in 1948 by Joseph Kennedy Jnr and Adolf Hitler Blue Chrysalis was supposed to be an escape A place where the rich and famous could live out their lives in comfort away from the never ending scrutiny of life in the public eye Over the years they have come John Belushi River Phoenix Kurt Cobain all faking their deaths in order to join the growing community living within the confines of the Project It was a simple life and a peaceful one that was until 1981 the year The Company played their hand Agreeing deals with a multitude of South American Governments The Company began to ship prisoners from the over populated prisons of the continent and place them in a specially built sector of the underground city Their hands tied the celebrity residents have no option other than to stay building a wall around themselves whilst letting it be known that they would continue to oversee the Project governance To maintain control a security force is required and this was where the offer of a second chance came in Stephen Lewis was dead but Noah Franklin had a clean slate with which to work The job was mundane knowing there was no way out everybody lived in relative peace a blind eye turned to the drugs and gambling in return for a truce between the four boroughs That was until a murder took place all of the evidence pointing to it being the work of someone who had grand plans for bringing Project Blue Chrysalis to its knees As much as he doesn't like it Noah is tasked with stopping the murderer before his work can be completed Surrounded by the worst that society has to offer and being pressured by superiors to deliver Noah must do everything in his power to bring the killer to justice All the while walking the thin line between the inmates and their famous warders

S. A. M. Trainor,2010-06 We are to believe there was a time when The Birmingham Quean was just a poem a mock epic burlesque in which a fake pound coin told how she was won in a game of darts by a drag queen called Britannia Spears It parodied Pope's The Rape of the Lock Byron's Don Juan and an anonymous eighteenth century novel The Birmingham Counterfeit The transformation of this bit of picaresque doggerel into the sprawling work barely contained by this cover is the central mystery of a ludic novel It mirrors the unlikely story of a dirty little settlement of nailers and cutlers becoming the principle city of the Industrial Revolution by flooding the Restoration economy with counterfeit coins What remains is an absurd scholarly edition of a poem recast as a futuristic dystopia in which nothing is authentic It is also the tale of an impossible love affair that uncovers an impossible text by an impossible author It is as strange ironic sombre flashy and anarchic as the city to which it owes its existence
