Columbus, Ohio,1894 **It's a Sunrise, Not a Sunset** Ann S. Eagle,2016-02-15 Have you ever wondered why we focus so much on sunsets and not sunrises Maybe because it s easier to watch a sunset as it happens in a more convenient time of the day Maybe it s just become a habit to photograph and paint sunsets instead of sunrises The same can be true in our own lives We can form habits of focusing on the sunsets in our lives and when we do we can miss the sunrises in them The sun setting represents the end of the day while the sun rising represents the beginning of the day In the same way sunsets in our personal lives can symbolize the end of something or the loss of something while sunrises can symbolize the start of something or the gain of something When we think the sun is setting on our circumstances maybe the sun is really rising God is always turning our circumstances together for good Is it time for you to proclaim It s a sunrise not a sunset **The Holy Bible: Book of Psalms-The Song of Solomon; The Gitagovinda, or, The Songs of Jayadeva** Adam Clarke,1825

O'Connor,1893-01-01 A hare was going along a road one day when suddenly on turning a corner he came upon a large Tiger The Tiger at once seized the Hare and said that he was going to eat him Please please Uncle Tiger said the Hare holding up his thumbs in supplication please don t eat me I am only a very small beast and will make a very insufficient meal for a great big animal like you And if you will spare my life I will take you to where you can find a much bigger fatter creature than me for your supper Very well said the Tiger I agree to that But if you don t show me a much bigger animal than you are I shall certainly be obliged to eat you So he released the Hare and the two walked off along the road together As they went along night began to fall and when it was quite dark the Hare began smacking his chops and making sounds as if he was eating something very nice What are you eating Brother Hare asked the Tiger I am eating my eye Uncle Tiger replied the Hare I have taken it out and eaten it it is very nice and it soon grows again The Tiger was rather surprised at hearing this but being very hungry he proceeded to scrape out his own eye and eat it up After going a little further the Hare again began smacking his lips as if he was eating something What are you eating now Brother Hare asked the Tiger I am eating my other eye Uncle Tiger replied the Hare it is even better than the first The foolish Tiger on hearing this proceeded to scrape out his other eye and eat that The Tiger was now quite blind and the Hare led him along to the brink of a deep gulf where he advised the Tiger to sit down and rest for a while And after the
