Transition Paige Walker,2015-12-01 Nichole Roberts is a beautiful young woman with a bright future ahead of her It is her eighteenth birthday and she cannot wait to celebrate it at what will soon be known as the party of the year With her family and best friend by her side everything seems perfect that is until that night A romantic evening with her handsome and mysterious boyfriend turns tragic and Nichole s life takes a turn for the worse Confused about what has happened to her Nichole wakes up to find everything that she holds dear has been taken from her in a way she never knew existed Will she ever come to terms with what she has become Or will she seek revenge against the one person that has wronged her FROM THE BOOK The sun descends and the moon rises giving the only light that illuminates the darkness Wind blows silently as if it is trying to tell me a secret Our steps are quiet we move like the wind walking along the forest floor as we make our way to the hole I crawled out of just a few months ago We whip past the trees rocks and grass like we are floating in the air The animals in the forest are neither seen nor heard They are hiding but I know they are out there I can hear the steady pace of their hearts and the blood flowing in their veins We make it to our destination No words spoken no sentiments given There is just quiet contemplation and preparation churning in our minds I look at Jade and she nods She quickly turns and climbs the tall tree near me looking like a spider silently climbing up a wall I turn my attention away from Jade She is now invisible to me I will neither give away nor tell her whereabouts She is a secret one that I will pretend not to know I look around through the darkness of night taking my place waiting for this game to begin My stance is confident My mind is calm I survey my surroundings like a predator who feels threatened bracing for an attack My eyes land on remnants of the trash bag that once held me inside I laugh Nate will have to do better this time if he wants to get rid of me Nate is going to come into the forest confident and cocky He doesn t realize that the girl he is coming to kill isn t the same one he had attempted to kill before
