resignation not the effective date of the resignation Certiorari was granted to determine if the Federal Arbitration Act FAA preempts consideration of severing provisions for unconscionability MGMT4 Chuck Williams, Alan McWilliams, Rob Lawrence, Wahed Waheduzzaman, 2019-09-09 MGMT4 is the fourth Asia Pacific edition of this innovative approach to teaching and learning the principles of management Concise yet complete coverage of the subject supported by a suite of online learning tools and teaching material equips students and instructors with the resources required to successfully undertake an introductory management course This highly visual and engaging resource is now available on the MindTap eLearning platform allowing for seamless delivery both online and in class With the Cengage Mobile app students can take course materials with them anytime anywhere New print versions of this book include access to the MindTap platform

Rethinking Project Management for a Dynamic and Digital World Darren Dalcher, 2022-01-25 Although project management is a newly recognised profession it deals with a number of significant challenges We seem to operate in an unprecedented environment rife with change innovation and turbulence Moreover projects by their very nature tend to push boundaries encourage novelty and demand engagement with the uncertain and the unknown Indeed projects reflect our organised impulse to constantly amend shape improve and refine our context So how can future projects overcome the challenges Rethinking Project Management for a Dynamic and Digital World makes a powerful and original statement equipping project leaders and managers with new approaches and frameworks for an increasingly demanding world where the traditional methods models and mindsets no longer suffice The book explores new trends promising ideas and novel concepts and distils the fundamentals for marshalling a world concerned with people communities and value by deploying innovation rethinking purpose and acting responsibly An increasingly borderless upwardly mobile and entrepreneurial society requires a revamped and revitalised project perspective that is more dynamic adaptive and reflective This volume brings together some of the best writing by leading authorities on many key topics including benchmarking lean quality communicating teams and teamwork followership organising for project work project frameworks agile working project portfolios strategic initiatives strategic alignment trust entrepreneurship putting people first social processes positive organisations rethinking progress the hacker paradigm community stewardship and knowledge management The collection thus offers an invaluable new resource for informed managers looking to engage with the latest thinking and research and for researchers seeking to reflect on how the discipline is changing *The Digital-First Customer Experience* Joe Wheeler, 2023-07-03 The definitive guide to designing digital first experiences customers love In his third book on the topic of customer experience bestselling author and consultant Joe Wheeler tackles the challenges many organizations are facing as they attempt to design compelling experiences in a digital first world It features case studies of leading brands including Lemonade Spotify CEMEX VMware Starbucks NIKE and Amazon Part One introduces the new 3 Cs key trends associated with technology convergence competition and culture change in a post pandemic world Part Two takes a deep dive into seven

design strategies from designing emotional peaks across channels to empowering customers through immersive experiences that merge physical and digital assets Part Three provides a playbook for how to design digital first experiences including how to solve the right problems develop a measurable business case design digital first experiences customers love and execute the new design at scale

Apple in China Patrick McGee, 2025-05-13 THE NEW YORK TIMES BESTSELLER Absolutely riveting Peter Frankopan author of The Silk Roads Disturbing and enlightening Chris Miller author of Chip War Hugely important Rana Foroohar author of Makers and Takers A once in a generation read Robert D Kaplan author of Waste Land As Trump wages a tariff war with China seeking to boost domestic electronics manufacturing this book offers an unparalleled insight into why his strategy is embarrassingly naïve Apple isn't just a brand it's the world's most valuable company and creator of the 21st century's defining product The iPhone has revolutionized the way we live work and connect But Apple is now a victim of its own success caught in the middle of a new Cold War between two superpowers On the brink of bankruptcy in 1996 Apple adopted an outsourcing strategy By 2003 it was lured to China by the promise of affordable ubiquitous labour As the iPod and iPhone transformed Apple's fortunes their sophisticated production played a seminal role in financing training supervising and supplying Chinese manufacturers skills Beijing is now weaponizing against the West Investigative journalist Patrick McGee draws on 200 interviews with former Apple executives and engineers to reveal how Cupertino's choice to anchor its supply chain in China has increasingly made it vulnerable to the regime's whims Both an insider's historical account and a cautionary tale Apple in China is the first history of Apple to go beyond the biographies of its top executives and set the iPhone's global domination within an increasingly fraught geopolitical context

Firing at Will Jay Shepherd, 2012-01-19 Firing at Will shows managers and employers how to do the most difficult part of their jobs firing employees Written by a leading employment lawyer in a refreshingly unlawyerly style this guide takes the reader through the always risky process of letting an employee go Many employers and managers are afraid to pull the trigger when the employment relationship has broken down and will postpone the decision by using progressive discipline and performance improvement plans However an employer must be able to unload employees who threaten to undermine the company and its prospects regardless of the risks involved in a termination This book explains how to do it how not to do it and how to minimize the danger of an expensive employee lawsuit No one said being an employer or a manager was easy Fortunately knowing how to fire employees will make your job much much easier in the long run and save you heartache Firing at Will teaches you what you need to know without any legalese or boring recitations of statutes and case law This book is filled with plain English common sense based on Jay Shepherd's 17 years of protecting employers in court The style is conversational and often irreverent but the lessons and tips are battle tested If you want to be a successful manager or employer and sleep easier you need to know how to fire at will Gives employers and managers real world advice on how to fire employees Teaches how to keep your company and yourself out of expensive employee lawsuits Guides you toward building a workplace where you'll need to fire fewer employees

X: The Experience When Business Meets Design Brian Solis, 2015-10-19 Welcome to a new era of business in which your brand is defined by those who experience it Do you know how your customers experience your brand today Do you know how they really feel Do you know what they say when you're not around In an always on world where everyone is connected to information and also one another customer experience is your brand And without defining experiences brands become victim to whatever people feel and share In his new book X The Experience When Business Meets Design bestselling author Brian Solis shares why great products are no longer good enough to win with customers and why creative marketing and delightful customer service too are not enough to succeed In X he shares why the future of business is experiential and how to create and cultivate meaningful experiences This isn't your ordinary business book The idea of a book was reimagined for a digital meets analog world to be a relevant and sensational experience Its aesthetic was meant to evoke emotion while also giving

new perspective and insights to help you win the hearts and minds of your customers And the design of this book along with what fills its pages was done using the principles shared within Brian shares more than the importance of experience You ll learn how to design a desired meaningful and uniform experience in every moment of truth in a fun way including How our own experience gets in the way of designing for people not like us Why empathy and new perspective unlock creativity and innovation The importance of User Experience UX in real life and in executive thinking The humanity of Human Centered Design in all you do The art of Hollywood storytelling from marketing to product design to packaging Apple s holistic approach to experience architecture The value of different journey and experience mapping approaches The future of business lies in experience architecture and you are the architect Business meet design X **The Five A's of Great Employees: Breakthrough Strategies for Hiring and Managing People** Eric Swenson,2016-02-20 Contrary to popular belief technical competency does not define a great employee You won t find your best employees by asking a series of standard interview questions And a resume does little to tell you whether an employee is going to be a superstar or a human resources nightmare In fact when it comes to hiring and managing employees we have been concentrating on the wrong attributes entirely The Five A s is a true breakthrough in evaluating potential and current employees By redefining the characteristics that determine whether an employee is ideally suited for a job you can use The Five A s to quickly sift through the rubbish and build an engaged and well trained workforce Globalizing Human Resource Management Paul Sparrow,Chris Brewster,Chul Chung,2016-08-05 This new edition of Globalizing Human Resource Management examines the strategic and global issues of HRM by showing how organizations address the tradeoffs between global integration and local responsiveness Sparrow Brewster and Chung discuss varying methods of globalized talent management and employer branding and conclude with a multi dimensional approach to HRM The second edition includes Updated analyses of talent management employer branding and outsourcing of HRM Broader geographic focus including a new focus on Asian firms and other emerging markets Exploration of the impact of strategic management thinking on HR as well as the latest research in other areas such as operations marketing and economic geography Complementing traditional international HRM texts this is an ideal book for any student interested in the actual strategic logics being pursued by the HR function today Human Resource Management Jean M. Phillips,2023-11-04 Formerly published by Chicago Business Press now published by Sage Human Resource Management An Applied Approach prepares future HRM professionals to effectively utilize strategies and tools to advance their careers and support the growth and development of those they manage Author Jean Phillips adopts an engage by example method encouraging students to take action and create a lasting impact in the field of HRM that goes beyond theoretical learning The Third Edition features new end of chapter exercises company examples throughout the book and a new section called Using This Knowledge at the end of each chapter providing additional support for knowledge application Through case studies videos and exercises students will develop their personal skills and gain practical

experience in applying various HR concepts enabling them to become better managers and more effective leaders *IT Governance: Policies and Procedures, 2021 Edition* Wallace, Webber, 2020-11-06 The role of IT management is changing even more quickly than information technology itself IT Governance Policies Procedures 2021 Edition is an updated guide and decision making reference that can help you to devise an information systems policy and procedure program uniquely tailored to the needs of your organization This valuable resource not only provides extensive sample policies but also gives the information you need to develop useful and effective policies for your unique environment For fingertip access to the information you need on IT governance policy and planning documentation systems analysis and design and much more the materials in this ready reference desk manual can be used by you or your staff as models or templates to create similar documents for your own organization The 2021 Edition brings you the following changes The chapter on Information Technology Infrastructure Library ITIL has been thoroughly revised to incorporate the recent launch of ITIL version 4 The sections on causes of employee burnout as well as the potential pitfalls of poor recruiting practices have been expanded New material has been added to address the increased use of video conferencing for virtual workers as well as the need to safeguard personal smartphones that store company information Tips for developing a mobile device policy have been added Additional pitfalls associated with end user computing have been added A new subsection regarding data storage guidelines for documents subject to data retention laws has been added Additional tips regarding data management have been added Appendix A has been updated to include data breach notification laws for Puerto Rico and the Virgin Islands and also to reflect changes to Vermont's data breach notification laws Data from recent surveys and reports has been added and updated in the Comment sections throughout In addition exhibits sample policies and worksheets are included in each chapter which can also be accessed at WoltersKluwerLR.com ITgovAppendices You can copy these exhibits sample policies and worksheets and use them as a starting point for developing your own resources by making the necessary changes Previous Edition IT Governance Policies Procedures 2020 Edition ISBN 9781543810998 **Moneylove Commemorative Edition** Jerry Gillies, 2020-11-25 A must for any of the millions of fans of the original classic Moneylove or anyone interested in Prosperity Consciousness This one of a kind work contains the 2 million best selling classic Moneylove as well as Volumes 1 2 and 3 of the author's comprehensive follow up Moneylove 3 0 Literally four books worth of the most effective insights on prosperity consciousness from one of the founding fathers of the field This special Commemorative Edition also features Jerry Gillies Tribute Video and never before seen photos of Jerry **Careers in Marketing** WetFeet (Firm), WetFeet, 2008 **EBK: Services Marketing: Integrating Customer Service Across the Firm 4e** Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success In its fourth European edition Services Marketing Integrating Customer Focus across the Firm provides full coverage

of the foundations of services marketing placing the distinctive Gaps model at the center of this approach The new edition draws on the most recent research and using up to date and topical examples the book focuses on the development of customer relationships through service outlining the core concepts and theories in services marketing today New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services New coverage on listening to customers through research big data netnography and monitoring user generated content Increased technology social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things Brand new examples and case studies added from global and innovative companies including Turkish Airlines Volvo EasyJet and McDonalds Available with McGraw Hill s Connect the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency

Operations Strategy Nigel Slack, Michael Lewis, 2019 Operations strategy is a major source of competitive advantage in for profit businesses and the route to achieving social welfare in not for profit enterprises No matter what sector it can have a huge impact not just in the short term but also on an enduring basis
