Your Heart & Mind: Priceless Possessions Worth Protecting Isekhua Evborokhai,2019-09-16 Everything we do in life kicks off from our hearts and minds Our actions inactions and reactions Our body language our responses and silences all of them are channels that output the thoughts of our hearts and minds Our hearts and minds are priceless possessions the Lord has blessed us with and they are worth giving everything we have to protect They are very important to us because the things our hearts and minds focus on whether positive or negative are the things we tend to attract to our lives God takes the state of our hearts and contents of our thoughts seriously and so should we If we fail to check our thought life it can very quickly become our own worst enemy poisoning us from within Every innovation ever recorded in history started off as a thought a product of the mind And the driver of such innovation is the dream of success a product of the heart Between the heart and mind we find the very core of all human existence Because together they determine the course of our lives They determine whether we succeed or fail in life they affect all our life s choices and ultimately determine if we live or die Without a doubt both combined form a formidable powerhouse The world today is experiencing an unprecedented level of widespread depravity because there is an ongoing battle for the control of the minds of the people So far the enemy has succeeded in capturing millions of the unsuspecting and the na ve those with unguarded and unprotected hearts and minds by offering depravity disguised as liberation In this book the author clearly articulates the requirements for guarding our hearts and minds He spells out the steps we need to follow to value guard and harness the potentials God deposited in us He exposes the tricks of the devil and offers to the reader tried and tested counter measures that strengthens the reader equipping them to turn the tables against the devil and come out victorious The author also elaborates the benefits physical spiritual and emotional derived from a guarded heart and mind bringing the reader to an understanding of the importance our hearts and minds play in determining the course of our lives An understanding that will ultimately change our lives altogether for the better **Apples of Gold** ,1983-06 *A Concordance to The Collected Poems of Sylvia Plath* Richard M.  Houston Texas never knowing who the Lord Jesus was or the extent of what he could do until the ripe old age of thirty three
 when I meet him in a prayer of desperation From that point on he has taken me on a journey of spiritual warfare and
 discovery of truth that I would not have believed were possible had it not happened to me I had looked for fulfillment in the
 vices of the world and came up empty but I thank God that when I ran out of options and admitted defeat there was someone
 there to catch me It was none other than the Lord Jesus Christ himself who had been waiting to see that glorious white flag
 of surrender I take no credit whatsoever for the birth or writing of this book It was birthed in prayer by the Lord himself and
 he has been beside me writing the words and selecting the scriptures ever since He explained this to me in one verse of
 scripture which I take great pleasure in sharing with you now Second Timothy 1 9 Who hath saved us and called us with an
 holy calling not according to our works but according to his own purpose and grace which was given us in Christ Jesus before
 the world began Proverbs 25 11 A word fitly spoken is like apples of gold in pictures of silver People need nourishment We re
 often told But more than that They need Apples of Gold A word fitly spoken Can set a soul free From all of the lying Done by

 Medieval Armenian Language and Literature** J.J.S. Weitenberg,2023-03-13 This book offers a reevaluation of the
 character of medieval 12 17th century Armenian literature and language It contains a number of contributions by leading
 Armenologists Cowe Russell Thomson and Stone and of a younger generation of scholars who attempt to confront the
 traditional approach of this period with the new insights gained in modern occidental medieval studies One may call these
 papers New because they study the literary highlights not only of Cilician Armenia of the Crusader period but of all Armenia
 and put these in a wider cultural context the authors emphasize both inner Armenian continuity and contemporary external
 Persian Turkish literary and linguistic influences The papers concern Armenian lyrical poetry models for the evaluation of the
 medieval Armenian literary production both traditional and new and the linguistic conditions which favoured such a
 production Particular attention has been given to the cultural background of Armenian grammatical studies and to the
 character of the first Armenian grammars printed in the Occident **The Three Golden Apples** Nathaniel
 Hawthorne,2021-04-20 Did you ever hear of the golden apples that grew in the garden of the Hesperides Ah those were such
 apples as would bring a great price by the bushel if any of them could be found growing in the orchards of nowadays But
 there is not I suppose a graft of that wonderful fruit on a single tree in the wide world Not so much as a seed of those apples
 exists any longer And even in the old old half forgotten times before the garden of the Hesperides was overrun with weeds a
 great many people doubted whether there could be real trees that bore apples of solid gold upon their branches All had

heard of them but nobody remembered to have seen any Children nevertheless used to listen open mouthed to stories of the golden apple tree and resolved to discover it when they should be big enough Adventurous young men who desired to do a braver thing than any of their fellows set out in quest of this fruit Many of them returned no more none of them brought back the apples No wonder that they found it impossible to gather them It is said that there was a dragon beneath the tree with a hundred terrible heads fifty of which were always on the watch while the other fifty slept In my opinion it was hardly worth running so much risk for the sake of a solid golden apple Had the apples been sweet mellow and juicy indeed that would be another matter There might then have been some sense in trying to get at them in spite of the hundred headed dragon But as I have already told you it was quite a common thing with young persons when tired of too much peace and rest to go in search of the garden of the Hesperides And once the adventure was undertaken by a hero who had enjoyed very little peace or rest since he came into the world At the time of which I am going to speak he was wandering through the pleasant land of Italy with a mighty club in his hand and a bow and quiver slung across his shoulders He was wrapt in the skin of the biggest and fiercest lion that ever had been seen and which he himself had killed and though on the whole he was kind and generous and noble there was a good deal of the lion's fierceness in his heart As he went on his way he continually inquired whether that were the right road to the famous garden But none of the country people knew anything about the matter and many looked as if they would have laughed at the question if the stranger had not carried so very big a club
