Bible Blindspots Jione Havea, Monica Jyotsna Melanchthon, 2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible's blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible's blind spots and modern readers' passions and commitments

APPLYING GOD'S WORD MORE FULLY IN YOUR LIFE Edward D. Andrews, 2012-08-05 Hundreds of millions of Christians around the world lack the basic knowledge of the Bible's teachings Moreover they are therefore unable to take advantage of the full happiness of partaking in joint worship of God they need to have their powers of discernment trained by constant practice to distinguish good from evil they need to leave the elementary doctrine of Christ and move on to maturity

This book has been penned for that very purpose to help all Christians to increase and expand their understanding of God's Word and to apply it more fully in their lives. Stacey Roberts: I am so grateful to have had a chance to preview this book before it was published because it has truly helped me to appreciate the Bible far more than ever before in my life. I have never seen so many Scriptures used in any Christian publication. The beauty is that they are quoted right there in the book. Truly, this book will be helpful to all who want to discern the intentions of their heart. It will move everyone to an active faith and help them to see the significance of their relationship with God in their words, in their actions, where they fall short, and especially in their heart attitude. In a word, this is the best book on Christian life that I have ever read, and the information is already helping me to progress toward being a better Christian. Words fail me in my effort to tell you how much I appreciate having had a chance to preview this book.

Review from a reader: Brenda Kinsey: This book has taught me so much, which has given me guidance that is really encouraging. It has categorically given me a longing for more spiritual knowledge.
