Indianapolis as Monument Circle or the Indianapolis 500 Generations of midwestern families visited the vast store to shop to see the animated Christmas windows and of course to visit Santa Claus and enjoy lunch in the Tea Room But Ayres was more than just a department store At its helm across three generations was a team of visionary retailers who took the store from its early silk and calico days to a diversified company with interests in specialty stores and discount stores before Target and Wal Mart At the same time Ayres never lost sight of its commitment to women s fashion that gave the store the same cachet as its larger competitors in New York and Chicago
