available from the Web Added Value Download Resource Center at www.jrosspub.com *Organizational Project Portfolio Management* Prasad Kodukula, 2014-06-17 We have implemented the methodology presented in this book and it's been very helpful to me. The book presents numerous PPM tools for project selection, project ranking, data visualization, etc. and has case study exercises that are highly practical and helpful in illustrating how the methodology and tools presented in the book can be used. It is a valuable tool for implementing portfolio management in any company in any industry. Bea Swanepoel, Portfolio Manager, Anglo American plc. *Organizational Project Portfolio Management: A Practitioner's Guide* offers a generic, practical methodology and tool kit to design, build, and manage a balanced portfolio at any level of the enterprise. These techniques can be used irrespective of business industry where the portfolio management group is located within the organizational hierarchy or the type of projects contained. Nominated for the PMI 2014 David I. Cleland Project Management Literature Award. *Governance Arrangements for IT Project Portfolio Management* Thorsten Frey, 2014-05-06 Due to the growing importance of IT-based innovations, contemporary firms face an excessive number of proposals for IT projects. As typically only a fraction of these projects can be implemented with the given capacity, IT project portfolio management as a relatively new discipline has received growing attention in research and practice in recent years. Thorsten Frey demonstrates how companies are struggling to find the right balance between local autonomy and central overview about all projects in the organization. In this context, impacts of different contextual factors on the design of governance arrangements for IT project portfolio management are demonstrated. Moreover, consequences of the use of different organizational designs are analyzed. The author presents insights from a qualitative empirical study as well as a simulative approach. **Essential Project Investment Governance and Reporting** Steven C. Rollins, Richard B. Lanza, 2005-01-15 This title suggests proactive processes for ensuring proper financial reporting of project investments in compliance with the new Sarbanes-Oxley Federal Law and techniques for preventing, detecting, and managing the risks of fraud. *Business Driven PMO Setup* Mark Price Perry, 2009-05-15 Featuring contributions from more than 20 distinguished executives and subject matter experts, this unique reference challenges various traditional approaches and strategies for the PMO and explains how to set up a business-driven PMO using an extensively proven roadmap adaptable to any type or size organization. *Strategic Portfolio Management* Katy Angliss, Pete Harpum, 2022-12-30 This book provides a powerful insight into strategic portfolio management and its central role in the delivery of organisational strategy, maximisation of value creation, and efficient allocation of resources and capabilities to achieve organisational strategic objectives. The book makes a valuable contribution to the development of thinking on the translation of strategy into actionable work. Whether you are a senior manager building a high-performing strategic portfolio for your organisation or an academic searching for new perspectives on strategy execution through portfolio management, you will find great significance in this book.
