Adventure Tourism David Huddart, Tim Stott, 2019-10-25 This textbook presents a comprehensive overview of the environmental impacts of various types of adventure tourism and how these can be best managed This volume follows on from the authors previous textbook Outdoor Recreation Environmental Impacts and Management and continues the aim of developing a deeper understanding of how tourist numbers impact the environment and to provide practical solutions to these problems Combining their own first hand experience and research with extensive literature review the authors present several popular adventure tourism destinations from across the globe including the Arctic the Himalayas Africa Australia and Scotland as case studies Chapters cover the particular challenges faced by each region including impacts on animals and birds the spread of invasive plant species and diseases trail impacts on vegetation impacts on geological historical and archaeological sites and pollution and waste issues A discussion and evaluation of the possible management actions for minimising these impacts and how outdoor recreation tourists can be regulated concludes each chapter This practical and engaging textbook will be invaluable to students and scholars of adventure tourism and outdoor recreation as well as practitioners and managers working in the field *Boating* ,1966-07 *Boating* ,1966-01 *Boating* ,1966-07 *Boating* ,1966-07 *Boating* ,1965-01 *The New York Times Magazine* ,2003 *Travel, Tourism, and Identity* Gabriel R.

Ricci, 2017-09-29 *Travel Tourism and Identity* addresses the psychological and social adjustments that occur when people make contact with others outside their social cultural or linguistic groups Whether such contact is the result of tourism seeking exile or relocating abroad the volume s contributors demonstrate how one s identity cultural assumptions and worldview can be brought into question In some cases the traveller finds that bridging the social and cultural gap between himself and the new society is fairly easy In other cases the traveller discovers that reorienting himself requires absorbing a new cultural history and traditions The contributors argue that making these adjustments will surely enhance the traveller s or tourist s experience otherwise the traveller or tourist will be at risk of becoming a marginalized figure one disconnected from the society that surrounds him This latest volume in the Culture Civilization series features a collection of essays on travel and tourism The essays cover a range of topics from historical travels to modern social identities They discuss ancient travels contemporary travels in Europe Africa and sustainable eco tourism and the politics of tourism Essays also address experiences of Grenada s Spice Island identity and the effects of globalization and migrations on personal identity **U.S. Business Directory** ,1999 *Michigan Business-to-business Sales & Marketing Directory: Businesses by city* ,2001
