Following the international success of his books *Advertising A to Z Featuring The Blue Willow Pattern* Parts 1 & 2, author Hugh Sykes in this new book looks at how the Blue Willow Pattern has been used in some unusual ways. Traditionally the pattern is often thought of as just a blue and white pattern on ceramic dinner sets. In this book, though, you will see many of the different mediums on which it has been used. Many of the items shown in this book are from the past but many are also from today, thus showing that the Blue Willow Pattern is very much still part of our everyday life.
