A Prophet Mighty in Deed and Word Jeff S. Kennedy,2024-08-06 Did Jesus the revolutionary figure who changed the world struggle to read a scroll A growing number of scholars think so Luke s account of Jesus reading in the synagogue Luke 4 16 30 is routinely challenged today in academia The claim is that Luke either fabricated the account outright or relied upon a mistaken social memory of Jesus reading in the synagogue Accordingly Jesus has been recast as an illiterate peasant or semi literate artisan unable to read and teach the way Luke portrays In *A Prophet Mighty in Deed and Word* Jeff Kennedy offers a fresh perspective He contends that Luke s reading Jesus wasn t an attempt to

appeal to the cultured sensibilities of his Greek audience who preferred literate philosophers over illiterate carpenters. Instead it reflects Jesus self understanding as Israel s prophet sage anointed to read and proclaim the year of Yahweh s favor. Jesus announces a shocking and provocative message for unbelieving Israel and he does so with a singular authority. This incident sparks escalating tensions between Jesus and his countrymen resulting in Christ s glorification through suffering. And Luke tells us that suffering began in Jesus hometown of Nazareth.

Manuals Combined: AMPHIBIOUS WARFARE & NAVAL SCIENCE FOR THE MERCHANT MARINE OFFICER , AMPHIBIOUS WARFARE LETTER OF PROMULGATION. This curriculum guide builds upon the work of many contributors. Intellectual rigor and academic standards demand that the full scope of amphibious warfare be encompassed rather than the tracing of Marine Corps History emphasizing the landings of the Great Pacific War which had forged our modern Corps. The present course structure and content reflect the determination that 1 the history of amphibious warfare remains a valid intellectual endeavor 2 its scope greatly exceeds the study of the U S Marine Corps and 3 a historical survey of amphibious warfare is best approached from a Maneuver Warfare perspective exploring the various levels of war and their impact on each battle. The levels of war would include the political, strategic, operational and tactical/technical. This construct of classes will also prepare students to become critical thinkers of warfare and thus better prepare them for future commissioned service to the Marine Corps. Instructors are cautioned to observe that this manual contains lesson guides not lesson plans. Instructors must devote time for serious background reading in recommended literature, course texts and contemplation of a conceptual approach that will capture the imagination of their students. Another important objective of this course must be to stimulate original thought and persistent interest on the part of the student.

PROFESSIONAL CORE COMPETENCY OBJECTIVES The primary objectives of this course are to provide prospective merchant marine officers a basic understanding of their role in our national security and to familiarize them with the basic principles and procedures for operating a merchant ship as a naval or military auxiliary in a wartime convoy or independent sailing situation.
