Church Heritage Manual General Conference of Seventh-Day Adventists. Youth Department, 2002 **Heritage of Truth Manual** Seventh-day Adventists General conference, 1956 **Lunjika SDA Mission in Northern Malawi 1932 - 1995** Banda, Macleard, 2018-05-22 The missionary work of the Seventh day Adventist Church started in Southern Malawi in 1902 and histories of churches are usually told from that starting point This book uses a different approach it tells the story of Lunjika Mission earlier called Mombera Mission which begins in 1932 showing how the SDA Church met a new culture that of the strongly patrilineal Ngoni and their neighbours to the North and how it dealt with other churches that had started missionary work in that broad area up to two generations before **The Unknown Prophet** Delbert W Baker, 2013-09-10 More than 25 years ago society was introduced to William Ellis Foy Foy was an African American minister of the nineteenth century whom historical records had generally overlooked The popular book The Unknown Prophet demonstrated that Foy received powerful revelations from God about coming tribulation judgment and heaven awaiting those who were faithful to God Foy s message was straightforward be faithful because Jesus is coming again The groundbreaking research in The Unknown Prophet did much to clear up misconceptions and set the record straight about William Foy It told the largely unknown story of this sensitive young man of color Furthermore he faced incredible trials and struggles yet faithfully fulfilled his time specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s William Foy s story his ministry and message still speaks today This second edition is the response to a desire for an updated version providing hope and encouragement for the twenty first century reader It contains new and valuable documents and images including the only known photo of William Foy s son Your faith will be enriched as you read these pages **Home-Based Care Ministry** Judy Mathers, 2019-08-06 We live in a broken world with broken people Often it is easy to ignore the needs of the people around us But what would God want us to do In His ministry here on earth Jesus reached out to the most hurt most abused and most reviled members of His community He healed not only their bodies but their spirits Should we do any less The Seventh day Adventist Church has a unique opportunity to serve the hurting in their community through a Home Based Care ministry With our mission to love serve and teach and with the numerous church resources already available we can do what many others cannot be the safe haven of health and healing that God intends His church to be While this book focuses on ministry to individuals and their families dealing with HIV and AIDS the principles found here can be applied to anyone with a terminal illness who finds himself herself on the other side of accepted society It shows us that instead of being critical we should accept where people and their choices have led them doing our best to minister with the love and care of Jesus **Seventh-day Adventist Church Manual.** General Conference of Seventh-Day Adventists, 2005 *The Oxford Handbook of Seventh-Day Adventism* Michael W.
