exclusive accounts of record breaking distances on adding engines to rag wings on how women broke into the machismo world and an English girl led a team in which every other competitor was a man and beat them all A History of the New Aviation is the first in depth narrative to stitch together the history and evolution of a pastime which is enjoyed by hundreds of thousands around the world It is told by Brian Milton the man who formed the British Hang Gliding League and led the first two British teams to beat the mighty Americans for which he won the Prince of Wales Cup from Prince Charles now King Charles III Brian went on to make the first flight around the world by a powered hang glider Two men set off on this flight Brian returned alone Flight International ,1985 Federal Register ,1981-07-27
