Advertising Playing Cards:

Price Guide for Collectible Playing Cards Harry Wastrack, 2005-07-26 Playing cards have been around a thousand years or more and are infinite in their variety This makes individual playing cards and complete decks rich in history and every bit as collectible as coins and postage stamps The Price Guide for Collectible Playing Cards is intended to be a basic resource for collectors of playing cards and decks of playing cards and to give at least some idea of what different decks of cards may be worth among other collectors Volume I presents examples of different decks in the categories of Advertising Humor Patience Pinup and Transportation Volume II presents examples of different decks in the categories of Standard and Souvenir Volume III presents examples of different decks categorized as Non Standard The Playing-cards of Spain Trevor Denning, 1996 This book describes the playing cards peculiar to Spain from the earliest fourteenth century records to the present day A major contribution this book makes toward the study of cards is the extension and elaboration of the classification system of playing cards The fifteen or so standard designs of Spanish cards that evolved into the patterns preferred for everyday use are systematically described and illustrated This will assist collectors and catalogers for identification purposes **A**

History of Playing Cards and a Bibliography of Cards and Gaming Catherine Perry Hargrave, 2000-01-01 Intricate absorbing study based on research and card collections from around the world tells the story of playing cards and their manufacture plus provides a fascinating overview of heraldry geography history and the social and political activities of man over the past six centuries Includes an enormous annotated bibliography of more than 900 items on playing cards and games and over 1 400 illustrations Praised by The New York Times as the most authoritative and complete treatment of its kind

Advertising to the American Woman, 1900-1999 Daniel Delis Hill, 2002 The author focuses on the marketing perspective of the topic and illustrates how women s roles in society have shifted during the past century Among the key issues explored is a peculiar dichotomy of American advertising that served as a conservative reflection of society and at the same time became an underlying force of progressive social change The study shows how advertisers of housekeeping products perpetuated the Happy Homemaker stereytype while tobacco and cosmetics marketers dismantled women s stereotypes to create an entirely new type of consumer **Shipment of Samples and Advertising Matter Abroad: The**
