Athens From Alexander To Antony:

Athens from Alexander to Antony Christian Habicht, 1997 The conquests of Alexander the Great transformed the Greek world into a complex of monarchies and vying powers a vast sphere in which the Greek city states struggled to survive This is the compelling story of one city that despite long periods of subjugation persisted as a vital social entity throughout the Hellenistic age Christian Habicht narrates the history of Athens from its subjugation by the Macedonians in 338 B C to the battle of Actium in 31 B C when Octavian's defeat of Mark Antony paved the way for Roman dominion over the Hellenistic world For nearly three centuries Athens strove unsuccessfully for sovereignty its foreign policies were shaped by the dictates first of the Macedonian monarchy and later of the Roman republic Yet the city never relinquished control of internal affairs and citizen participation in its government remained strong Habicht lucidly chronicles the democracy's setbacks and recoveries over these years as it formed and suffered the consequences of various alliances He sketches its continuing role as a leader in intellectual life and the arts as Menander and other Athenian playwrights saw their work produced throughout the Greek world and the city's famous schools of philosophy now including those of Zeno and Epicurus remained a stellar attraction for students from around the Mediterranean Habicht has long been in the forefront of research on Hellenistic Athens in this authoritative yet eminently readable history he distills that research for all readers interested in the ancient Mediterranean world

Community and Identity at the Edges of the Classical World Aaron W. Irvin, 2020-10-13 A timely and academically significant contribution to scholarship on community identity and globalization in the Roman and Hellenistic worlds *Community and Identity at the Edges of the Classical World* examines the construction of personal and communal identities in the ancient world exploring how globalism multi culturalism and other macro events influenced micro identities throughout the Hellenistic and Roman empires This innovative volume discusses where contact and the sharing of ideas was occurring in the time period and applies modern theories based on networks and communication to historical and archaeological data A new generation of international scholars challenge traditional views of Classical history and offer original perspectives on the impact globalizing trends had on localized areas insights that resonate with similar issues today This singular resource presents a broad multi national view rarely found in western collected volumes including Serbian Macedonian and Russian scholarship on the Roman Empire as well as on Roman and Hellenistic archaeological sites in Eastern Europe Topics include Egyptian identity in the Hellenistic world cultural identity in Roman Greece Romanization in Slovenia Balkan Latin the provincial organization of cults in Roman Britain and Soviet studies of Roman Empire and imperialism Serving as a synthesis of contemporary scholarship on the wider topic of identity and community this volume Provides an expansive materialist approach to the topic of globalization in the Roman world Examines ethnicity in the Roman empire from the viewpoint of minority populations Offers several views of metascholarship a growing sub discipline that compares ancient material to modern scholarship Covers a range of themes time periods and geographic areas not included

in most western publications *Community and Identity at the Edges of the Classical World* is a valuable resource for academics researchers and graduate students examining identity and ethnicity in the ancient world as well as for those working in multiple fields of study from Classical Hellenistic and Roman historians to the study of ethnicity identity and globalizing trends in time **Greek Notions of the Past in the Archaic and Classical Eras** John Marincola, 2012-07-31 This volume in The Edinburgh Leventis Studies series collects the papers presented at the sixth A G Leventis conference It engages with new research and new approaches to the Greek past and brings the fruits of that research to a wider audience

Do Good Fences Make Good Neighbors? Brent L. Sterling, 2009-10-30 A number of nations conspicuously Israel and the United States have been increasingly attracted to the use of strategic barriers to promote national defense In *Do Good Fences Make Good Neighbors* defense analyst Brent Sterling examines the historical use of strategic defenses such as walls or fortifications to evaluate their effectiveness and consider their implications for modern security Sterling studies six famous defenses spanning 2 500 years representing both democratic and authoritarian regimes the Long Walls of Athens Hadrian s Wall in Roman Britain the Ming Great Wall of China Louis XIV s Pr Carr France s Maginot Line and Israel s Bar Lev Line Although many of these barriers were effective in the short term they also affected the states that created them in terms of cost strategic outlook military readiness and relations with neighbors Sterling assesses how modern barriers against ground and air threats could influence threat perceptions alter the military balance and influence the builder s subsequent policy choices Advocates and critics of strategic defenses often bolster their arguments by selectively distorting history Sterling emphasizes the need for an impartial examination of what past experience can teach us His study yields nuanced lessons about strategic barriers and international security and yields findings that are relevant for security scholars and compelling to general readers **Athens from Alexander to Anthony** , 1997 **The Macedonians in Athens, 322-229 B.C.** Olga

Palagia, Stephen V. Tracy, 2016-11-29 For a century following the end of the Lamian War in 322 B C Athens harbour at Pireus was almost constantly occupied by a Macedonian garrison The Macedonian presence dealt a crucial blow to Athenian independence and Athenian democracy initiating the first in a long and intermittent series of foreign occupations The twenty eight papers in this volume are based on an international conference hosted by the University of Athens in May 2001 and focus on various aspects of Athenian art archaeology and history in the century of Macedonian domination They consider Athens new role as a political stepping stone for potential Successors to the throne of Macedon Cassander Demetrios Poliorketes and Antigonos Gonatas were each able to secure Macedonia by using Athens as a power base and the ways in which Athenian culture was affected by the Macedonian presence They contribute to the ongoing debate about the reasons for the Macedonian ascendancy the degree of independence accorded Athens by their Macedonian overlords the third century archon list and changes in Athenian art and architecture *Brill's Companion to the Reception of Alexander the Great* , 2018-09-11 Brill s *Companion to the Reception of Alexander the Great* offers a considerable range of topics of interest

to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas. Arguably no other historical figure has cast such a long shadow for so long a time. Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy. This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure.
