Understanding Self-help/mutual Aid Thomasina Borkman,1999 Self help groups have encountered fierce criticism as places where individuals join to share personal problems and to engage in therapeutic intervention without the aid of skilled professionals These groups have flourished since the 1970s and continue to serve more people than professional therapy Yet these groups have been criticized as fostering a culture of whiners and victims and not using professional help as needed Thomasina Jo Borkman debunks this commonly held assessment and also examines the reasons for these groups enduring popularity since the 1960s more people attend these meetings word than see professional therapists What accounts for their success and popularity Understanding Self Help Mutual Aid Groups is the first book to describe three stages of individual and group evolution that is part of this organization s very structure it also reconceptualizes participants interactions with professionals The group as a whole Borkman posits draws on the life experiences of its membes to foster nurturing support and transformation through a circle of sharing Groups create more positive and less stigmatizing meaning perspectives of the members problems than is available from professionals or lay folk culture

The Factory Owner & the Convict Glenn C.,2005-03 William E Correll Life Treatment Center This book describes the way alcoholics actually think better than anything I have ever read The world of the good old timers of the early Alcoholics Anonymous movement comes alive in this book It tells the interlocking stories of seven people from diverse backgrounds men women black white wealthy poor who lived and taught the A A program with such clarity and spiritual depth that people came from miles away to sit at their feet and be taught by them This account was originally written for the local intergroups to tell how A A began during the 1940 s and 50 s in the cities and towns along the St Joseph river as it wound its way through Indiana and Michigan to empty into the Great Lakes But then all across the country people struggling with alcoholism and addiction began asking for copies and psychotherapists and counselors too It spoke to the heart they said It made the twelve step program come alive and showed

how it really worked And above all they reported they had found that the words of these men and women were filled with a kind of spiritual wisdom and deep compassion which had the power to heal the soul So this new edition of The Factory Owner the Convict has now been prepared with the last half now printed as a separate volume entitled The St Louis Gambler the Railroad Man

Spirituality and Chemical Dependency Robert J Kus, 2014-01-02 Spirituality and Chemical Dependency shares current thinking on how spirituality is used in recovery from alcoholism and other forms of chemical dependency The 12 Step programs have been the most successful form of treatment thus far you will find the insight in this book to be revealing as to why Each of the contributors has devoted a significant part of his or her life to help those suffering from chemical addiction In each chapter the author gives ideas on specific aspects of spirituality in the 12 Step context and answers the ever important question So what to provide guidelines for healthy spirituality in the addicted person

Turning Point Dick B., 1997 Dick B is today regarded as the leading A A historian He is a writer Bible student retired attorney and active recovered member of the A A fellowship He has brought to the history table 1 His strong belief in the Creator Christianity and the Bible as the main source book for truth 2 His long and fervent work with newcomers in helping them to overcome their alcoholism with the power of God 3 His talents in writing and research that emerged from his work at the University of California where he received a Phi Beta Kappa key his editorship of the Stanford Law Review and his vigorous practice in writing and presenting legal briefs before many many courts This mid point treatise had been followed by and added up to 33 A A history titles so far This book is foundational

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning

Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes Revelatory Events Ann Taves,2016-11-08 A leading scholar sheds critical light on the seemingly revelatory events behind new religions and spiritual movements Unseen presences Apparitions Hearing voices Although some people would find such experiences to be distressing and seek clinical help others perceive them as transformative Occasionally these unusual phenomena give rise to new spiritual paths or religious movements Revelatory Events provides fresh insights into what is perhaps the bedrock of all religious belief the claim that otherworldly powers are active in human affairs Ann Taves looks at Mormonism Alcoholics Anonymous and A Course in Miracles three cases in which insiders claimed that a spiritual presence guided the emergence of a new spiritual path In the 1820s Joseph Smith Jr reportedly translated the Book of Mormon from ancient gold plates unearthed with the help of an angel Bill Wilson cofounded AA after having an ecstatic experience while hospitalized for alcoholism in 1934 Helen Schucman scribed the words of an inner voice that she attributed to Jesus which formed the basis of her 1976 best selling self study course In each case Taves argues the sense of a guiding presence emerged through a complex creative interaction between a founding figure with unusual mental abilities and an initial set of collaborators who were drawn into the process by diverse motives of their own A major work of scholarship this compelling and accessible book traces the very human processes behind such events **New Light on Alcoholism** Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to
