Cultural and Heritage Tourism in Asia and the Pacific Bruce Prideaux, Dallen Timothy, Kaye Chon, 2013-09-13 The Asia Pacific region's enormous diversity of living cultures and preserved heritage sites has significant

appeal to many tourists However tourism has grown so rapidly that many issues associated with the incorporation of cultural and heritage experiences in tourist itineraries such as authenticity verses commodification exploitation of national cultures impacts on local communities and the management of heritage resources have not been adequately addressed and must be debated This revealing book reviews recent developments in cultural and heritage tourism in the Asia Pacific region and provides a discussion on how communities have faced and overcome significant challenges to develop and market their culture and heritage resources A range of models and case studies are used to deepen the reader s understanding of heritage and cultural issues to illustrate many of the more controversial issues and to examine new evaluative and planning tools This book is a special issue of the Asia Pacific Journal of Tourism Research *Applying Cultural Anthropology Instructor's Manual* Aaron Podolefsky, Peter J. Brown, 1996-10 *Legacies of Forced Removals in South Africa* Efua Tembisa Prah, 2025-10-07 This book contributes to an international literature on children and childhood studies by providing a variety of lenses through which we can further explore children s reflections about the worlds they inhabit Through documentation of the reflections of life in a temporary relocation camp of six children the research findings show the slippages in governance in post apartheid South Africa revealing howover determining structures of oppression shaped by histories of violence remain as hauntings in the lived experience of those on the margins of the state In this way the book offers testament to the lasting impact apartheid has left on South Africa s populations The stories of these children offer testament to a fluidity of identifications and repressions that criss cross notions of what it is to be a citizen a child youth or adult in sites of frequent forced mobility Contemporary Studies in Anthropology D. C. Nanjunda, 2010-01-01 With reference to Karnataka India The Oxford Handbook of American Folklore and Folklife Studies Simon J. Bronner, 2019 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice
