Grassi,1995 The power of this book lies in Joseph Grassi s insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel s dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a personal journal Rediscovering the Jesus Story allows the reader to enter into the gospels in a deeper way than ever before BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Rediscovering the Kingdom Expanded Edition** Myles Munroe,2011-07-28 When governments collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology that will not fail for it was bore in the heart of God Himself As Dr Munroe unveils the reality and the power of the Kingdom of God you will be challenged to the core of your religious soul as you discover realities that few have seen let alone talked about Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue the Kingdom of God In this book you will discover The keys that make the Kingdom function in your life Why religion cannot solve your problems Why governments and world leaders continue to fail us Why religion can never fulfill your deepest desire Why power is the pursuit of all mankind The present and future reality of the Kingdom among us The original message and
