I Do Melody Carlson, 2009-02-04 Saturday October 22 My life changed today It s as if I got up this morning as one person and will go to bed as someone else Okay maybe it s not THAT drastic But I m so excited I m not sure I ll ever go to sleep tonight Josh Miller asked me to marry him First she kissed dating goodbye Now several years later Caitlin O Conner is getting married to the guy she s loved all along Josh Miller It s her senior year of college and she has seven months to plan her wedding but according to Josh s mom that s not enough time Meanwhile Caitlin s roommate Liz has ditched her to move in with a boyfriend Her new roommate and old friend Jenny is toying with anorexia again and just when Caitlin needs her most Beanie heads off to a New York City design school On top of all this an issue from Josh s past rocks Caitlin s emotions Can she handle it all True to form Caitlin is more concerned with

following God than having the perfect wedding But it is her big day Can Caitlin have a lovely ceremony without spending a small fortune Will she remember it s the marriage and not the wedding that lasts forever Story Behind the Book My teenage years remain vivid in my mind It was a turbulent time full of sharp contrasts love and hate pain and pleasure trust and doubt Then just as I reached my peak of questioning rebelling and seeking I found God And I found Him in a really big way My life turned completely around and has thankfully never turned back Hopefully this story will touch and change hearts speaking to teen girls right where they live reminding readers that God is alive and well and ready to be intimately involved in their lives right now Caitlin provides a very positive role model for girls And her wedding is a great way to teach them about the things that really matter in life their relationship with God and their willingness to be used by Him Road Trip Melody Carlson,2009-02-04 After signing a contract with a major recording company Redemption s dreams are coming true Chloe Allie and Laura begin their concert tour with the good looking guys in the popular band Iron Cross Allie s mom and her brother with Down s syndrome add a little variety to their entourage But as soon as the glitz and glamour wear off the girls find life on the road a little overwhelming Even solid well balanced Laura appears to be feeling the stress and Chloe isn t quite sure how to confront her about the growing signs of drug addiction we want it all or so we say but what gets lost along the way along the road to riches fame we know we ll never be the same The guys in Iron Cross occupy Chloe s thoughts a little more than she cares to admit Still life on the road gets less and less glamorous and more and more overwhelming especially when solid well balanced Laura begins acting strange Her hostility toward Chloe s concern makes the girls wonder how much longer they can keep their act together Story Behind the Book Over the years I have worn many hats from pre school teacher to Young Life leader to political activist to senior editor But most of all I love to write In the past few years I have published more than ninety books for children teens and adults I hope the Diary of a Teenage Girl series will impact the lives of teens through an honest and gutsy approach of a diary style book *American Book Publishing Record* ,2003
