Understanding Manga and Anime Robin E. Brenner,2007-06-30

Teens love it Parents hate it Librarians are confused by it and patrons are demanding it Libraries have begun purchasing both manga and anime particularly for their teen collections But the sheer number of titles available can be overwhelming not to mention the diversity and quirky cultural conventions In order to build a collection it is important to understand the media and its cultural nuances Many librarians have been left adrift struggling to understand this unique medium while trying to meet patron demands as well as protests This book gives the novice background information necessary to feel confident in selecting working with and advocating for manga and anime collections and it offers more experienced librarians some fresh insights and ideas for programming and collections
