**Tunnels** Roderick Gordon, Brian Williams, 2012-08-02 Fourteen year old Will Burrows lives with his family in London. He has little in common with them except for a passion for digging which he shares with his father. But when his father disappears down an unknown tunnel, Will's investigation leads him to a terrifying underground world. *Tunnels (Tunnels #1)* Roderick Gordon, Brian Williams, 2011-05-01 The New York Times Bestseller. The story of an outcast boy, his eccentric dad, and the scary underground world they discover through secret TUNNELS. 14 year old Will Burrows has little in common with his strange dysfunctional family. In fact, the only bond he shares with his eccentric father is a passion for archaeological excavation. So when Dad mysteriously vanishes, Will is compelled to dig up the truth behind his disappearance. He unearths the unbelievable: a secret subterranean society. The Colony has existed unchanged for a century, but it's no benign time capsule of a bygone era because the Colony is ruled by a cultlike overclass, the Styx. Before long, before he can find his father, Will is their prisoner. Closer (Tunnels #4) Roderick Gordon, Brian Williams, 2011-05-01 Closer to victory or closer to death. An army of darkness is on the march. Who won't escape with their life? The fourth book in the New York Times Bestselling TUNNELS series. At long last reunited with his dad, Will now spends his days exploring the land of the second sun, decoding the cryptic glyphs carved into its three mysterious temples, or eyeing the wild animals with renegade girl Elliott. Chester meanwhile has finally returned Topsoil, where his homecoming is rapidly becoming a horror show. But an army of darkness is on the march. And the ruthless Rebeccas have once more cheated death. With a corps of cold-blooded Limiters at their command, they're determined to hunt Will to the bitter innards of the earth. This time, who WON'T escape with their life?

Spiral (Tunnels #5) Roderick Gordon, Brian Williams, 2012-09-01 Spinning out of control. Just when you thought it couldn't get any deeper, darker, or weirder. Creeping into the open through cracks in the earth, the Styx have surfaced and are now infesting England like some parasitic scourge, carriers of a bizarre black secret that will place every last Topsoiler in mortal peril. Unless Will Burrows puts a stop to the propagation. Armed to the teeth with little more than a motley crew of former commandos as reinforcements, can Will, Chester, and Elliott find a way to squash the threat? Or will they only find themselves in a deadly downward SPIRAL. **A Seriously Useful Author's Guide to Marketing and Publicising Books** Mary Cavanagh, 2009 Gone are the times when most authors could relax and let their publisher sell their book for them. Nowadays, in a climate of increasing commercialisation, the majority of authors, both new and established, are discovering that they get no help at all. For the self-published, a rapidly expanding market, this has always been largely the case, but now nearly all authors are faced with the task of having to market and publicise their own book. The prospect is a daunting one, but without some form of self-input, it is rare for any book to sell in significant quantities. However, exactly what needs to be done to generate sales and to create a reputation for a book is often a mystery. Thus *Seriously Useful* aims to demystify the processes in a concise, lively, and highly readable way. Although primarily concerned with making sales, it also offers some very useful

pre publication advice including the options and benefits of self publishing In addition it reveals some essential inside information on how the books trade works so the author has an excellent understanding of their book s journey from manuscript to publisher to wholesaler to retailer to reader There are also some very useful contributions from other mainstream and self published authors Written by Mary Cavanagh a novelist and short story writer who has had first hand experience of both mainstream and self publishing Her previous work includes *The Crowded Bed* Transita 2007 and *A Man Like Any Other* The Priest s Tale Matador 2008
