Schultz,Beth E. Barnes,Heidi F. Schultz,Marian Azzaro,2015-01-28 Almost every advertising promotion or marketing communications textbook is based on an inside out approach focusing on what the marketer wants to communicate to customers and prospects This text takes a different view that the marketer and the customer build the ongoing brand value together Rather than the marketer trying to sell the role of the marketer is to help customer buy To do that a customer view is vital and customer insight is essential Customer insights allow the marketer to understand which audiences are important for a product what delivery forms are appropriate and what type of content is beneficial Building Customer Brand Relationships is themed around the four key elements marketing communicators use in developing programs audiences

brands delivery and content but provides an innovative approach to marketing communications in the push pull marketplace that combines traditional outbound communications advertising sales promotion direct marketing and PR with the inbound or pull media of Internet mobile communications social networks and more Its customer centric media planning approach covers media decision before dealing with creative development and emphasizes measurement and accountability The text s concepts have been used successfully around the world and can be adapted and adjusted to any type of product or service
