Between Text And Image Updating Research In Screen Translation:

Between Text and Image Delia Chiaro, Christine Heiss, Chiara Bucaria, 2008 This book sets out to establish the state of the art of screen translation and at the same time to underscore the work of scholars following new paths of investigation both in terms of innovative linguistic mediations being examined and pioneering experimental design The volume includes descriptions of sophisticated electronic databases and corpora of audiovisual products for the big and small screen and the rationale behind them Furthermore Between Text and Image also includes a number of cutting edge studies in audience perception of audiovisual products Finally the volume does not fail to ignore examples of original research carried out from both a traditional linguistic viewpoint and from a more cultural perspective P 4 de la couv

Words, Images and Performances in Translation Rita Wilson, Brigid Maher, 2012-02-02

Descriptive Translation Studies and Beyond Gideon Toury, 1995 A replacement of the author's well known book on Translation Theory In Search of a Theory of Translation 1980 this book makes a case for Descriptive Translation Studies as a scholarly activity as well as a branch of the discipline having immediate consequences for issues of both a theoretical and applied nature Methodological discussions are complemented by an assortment of case studies of various scopes and levels with emphasis on the need to contextualize whatever one sets out to focus on Part One deals with the position of descriptive studies within TS and justifies the author's choice to devote a whole book to the subject Part Two gives a detailed rationale for descriptive studies in translation and serves as a framework for the case studies comprising Part Three Concrete descriptive issues are here tackled within ever growing contexts of a higher level texts and modes of translational behaviour in the appropriate cultural setup textual components in texts and through these texts in cultural constellations Part Four asks the question What is knowledge accumulated through descriptive studies performed within one and the same framework likely to yield in terms of theory and practice This is an excellent book for higher level translation courses
