Between Two Worlds Elizabeth Marquardt, 2006-09 Offers an in depth study of the impact of divorce on the emotional and spiritual lives of children drawing on interviews with young adults from both intact and divorced families to demonstrate that even amicable divorces have lasting effects on children as they are confronted with different worlds each with distinct moral values traditions and messages Reprint 25 000 first printing **The Children of Divorce** Andrew Root, 2010-08 A recognized authority on youth ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce *The Children of Divorce (Youth, Family, and Culture)* Andrew Root, 2010-08-01 Why does divorce cause so much strain and long term distress for children of all ages Andrew Root a recognized authority on youth ministry and a child of divorce himself explains that divorce causes children to question their core identity Since a child is the product of the union of a mother and father when that union ends he or she experiences a baffling sense of loss of self a loss of his or her very sense of being Root redirects efforts for assisting children of divorce to first address this fundamental experience This unique book examines the impact of divorce not only from a theological and spiritual perspective but also from a young person s perspective It will benefit those who have experienced divorce and those who minister to children of divorce Marriage William E. May, 2009-01-01 In this revised and expanded edition of *Marriage The*

Rock on Which the Family is Built internationally renowned theologian William E May makes the case for marriage s foundational role for family with marriage defined as the union of one man and one woman Drawing on Pope John Paul II s theology of the body he explains the person affirming love enabling life giving and sanctifying nature of marriage He shows how marriage is necessarily a complementary union of man and woman and how this rules out the idea of same sex marriage

Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage
