Myers, 2025-01-28 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www luminosoa org to learn more The Violence of Love challenges the narrative that adoption is a solely loving act that benefits birth parents adopted individuals and adoptive parents a narrative that is especially pervasive with transracial and transnational adoptions Using interdisciplinary methods of archival legal and discursive analysis Kit W Myers comparatively examines the adoption of Asian Black and Native American children by White families in the United States He shows how race has been constructed relationally to mark certain homes families and nations as spaces of love freedom and better futures in contrast to others that are not and argues that violence is attached to adoption in complex

ways Propelled by different types of love such adoptions attempt to transgress biological racial cultural and national borders established by traditional family ideals Yet they are also linked to structural symbolic and traumatic forms of violence The Violence of Love confronts this discomforting reality and rethinks theories of family to offer more capacious understandings of love kinship and care In Search of Rhett Butler Sharron Haynes, 2005 What typical Southern girl who grew up in the decades of the 40 s and 50 s hadn t wanted to be Scarlett O Hara especially if she happened to be the namesake of that character Born on the very day and at the precise time Gone With the Wind premiered in Atlanta Scarlett Harwood's destiny had simply collided with the stars or so went the thinking of her dreamy eyed melodramatic young mother whose address was Cloud Nine It was on her fifteenth birthday that Scarlett Harwood finally saw the movie from which her name had come From the moment Vivien Leigh's character materialized on the screen until the credits rolled the girl was mesmerized dumbstruck by the twinship she saw between herself and that young belle It felt to her like someone had crawled inside her head excised her brain and planted it in the head of Scarlett O Hara She left the theatre that day still dabbing her tears convinced that she was the reincarnation of the heroine with one exception She was smarter She would never repeat O Hara s mistakes Never Neither would she repeat those of her mother Tessa She would get it right Unlike both Scarlett O Hara and Tessa once she found her perfect man she would never let him go That was the plan Then came Jacob Stevenson One Who's Not With Us K.L.
