Beyond Binary Histories Re Imagining Eurasia To C 183:

Beyond Binary Histories Victor B. Lieberman, 1999 An engaging collection that probes at the existence of an early modern Eurasia Social and Political Life in Late Antiquity - Volume 3.1 William Bowden, Adam Gutteridge, Carlos Machado, 2006-12-31 This book examines a number of themes relating to social and political life in Late Antiquity The first part of the book considers how the powers of the emperor state and civic authorities were expressed in the physical environment and how coinage and material culture were caught up in the political life of the period The second part investigates the middle classes and the poor who are often less visible in archaeological textual and epigraphic records Other articles consider such topics as long term social evolution and the definition of time in Late Antiquity Two extensive bibliographic essays provide an overview of published literature relating to social and political life Current Contents Institute for Scientific Information (Philadelphia), 2002 Stromlinien in Südostasien Tilman Frasch, 2009 Die Kontingenz der Moderne Wolfgang Knöbl, 2007-11-05 Wolfgang Knöbl unterzieht in diesem Buch die aktuellen soziologischen Großtheorien einer kritischen Analyse Vor diesem Hintergrund arbeitet er insbesondere die Relevanz weltgeschichtlicher Ansätze für die Makrosoziologie heraus Die dort betonten Phänomene kontingenter Entwicklungen und kultureller Transfers zwischen Weltregionen haben in soziologischen Vergleichsdesigns bislang keinen Niederschlag gefunden Anhand von Analysen insbesondere zu China dem Süden der USA sowie Südamerika beleuchtet Knöbl die Spezifika der europäischen Moderne und zeigt welchen methodologischen Postulaten eine zeitgemäße historisch fundierte Makrosoziologie genügen muss zumal wenn sie ihr zeitdiagnostisches Potenzial nutzen will Japan Emerging Karl Friday, 2018-04-19 Japan Emerging provides a comprehensive survey of Japan from prehistory to the nineteenth century Incorporating the latest scholarship and methodology leading authorities writing specifically for this volume outline and explore the main developments in Japanese life through ancient classical medieval and early modern periods Instead of relying solely on lists of dates and prominent names the authors focus on why and how Japanese political social economic and intellectual life evolved Each part begins with a timeline and a set of guiding questions and issues to help orient readers and enhance continuity Engaging thorough and accessible this is an essential text for all students and scholars of Japanese history **South East Asia Research**, 2005 Interkulturelle Kommunikation Hans-Jürgen Lüsebrink, 2016-09-05 Ob im Kulturbetrieb oder am Arbeitsplatz Interkulturelle Kommunikation ist eine Schlüsselqualifikation in allen Bereichen der Gesellschaft Diese Einführung informiert über Konzeption Problembereiche Methoden Theorien und zentrale Begriffe der Interkulturellen Kommunikation Der Autor beschränkt sich nicht auf die Analyse von Interaktionssituationen beim Lernen in der Wirtschaft und in multikulturellen Gesellschaften sondern bezieht Kulturtransfer in Medien und Werbung und Fremdwahrnehmungsprozesse und Stereotypenbildung und Vorurteilsstrukturen als weitere Schwerpunkte ein *Homo Viator, Homo Scribens* González

Sánchez, Carlos Alberto, 2008-04-11 Escribir lo vivido en los nuevos mundos además de una decisión personal fue una obligación que desde el principio impusieron los gobernantes a quienes participaron en las empresas descubridoras y conquistadoras bajo su tutela. Las autoridades de la vieja Europa ante unos acontecimientos demasiado distantes y fuera de su control en todo momento comprendieron el valor de la escritura como una vía de información sistemática e indispensable para un ejercicio del poder más eficaz y centralizado. Por ello exigían a los implicados en dichas aventuras puntuales y precisas relaciones o memorias escritas contrastadas y verificadas de cuanto aconteciera, vieran u oyeren durante el desarrollo de sus misiones. Este es el inicio de una suerte de incipiente globalización capaz de menguar las incertidumbres que un correcto ejercicio de la política requiera. Tal es el objeto de estudio y reflexión del presente libro cuya meta no es otra que intentar desvelar el protagonismo y el decisivo impacto de la cultura escrita en la expansión atlántica europea de la alta modernidad.

Religion and Politics in a Global Society Paul Christopher Manuel, Alynna Lyon, Clyde Wilcox, 2012-11-12 Religion and Politics in a Global Society Comparative Perspectives from the Portuguese Speaking World edited by Paul Christopher Manuel Alynna Lyon and Clyde Wilcox explores the legacy of the Portuguese colonial experience with careful consideration of the lasting impression that this experience has had on the cultural, religious and political dynamics in the former colonies. Applying the insights derived from three theoretical schools: religious, society, political institutions and cultural toolkit, this volume brings together scholars from a variety of disciplines offering in depth case studies on Angola, Brazil, East Timor, Goa, Mozambique and Portugal, societies connected by a shared colonial past and common cultural and sociolinguistic characteristics. Each chapter examines questions on how faith and culture interrelate and how the various national experiences might resonate with one another. This volume provides a deeper understanding of the Lusophone global society as well as the larger field of religion and politics. **American Book Publishing Record**, 2000 *Der große Aufbruch*

Wolfgang Behringer, 2023-10-17 Mit der europäischen Entdeckung Amerikas und der Etablierung des Schiffsverkehrs zwischen den Kontinenten begann eine neue Epoche der globalen Geschichte. Die Kontakte und der Austausch zwischen den Zivilisationen dieser Welt wurden immer vielfältiger, damit freilich auch die Konflikte in seinem fulminanten Bravour geschrieben. Das Buch entfaltet Wolfgang Behringer ein weltumspannendes Panorama der Frühen Neuzeit, das die Entwicklungen aus der Perspektive aller beteiligten Kulturen schildert und dadurch ein ganz neues Bild dieser Zeit präsentiert. Im Mittelpunkt dieser neuartigen Geschichte der Frühen Neuzeit stehen globale Ereignisse, die den Gang der Weltgeschichte veränderten: globale Orte, die Knotenpunkte des Austauschs bildeten; globale Themen und Strukturen wie Kolonialismus und Rassismus. Wolfgang Behringer nimmt die Leserinnen und Leser mit auf die Reise nach Afrika und Amerika, ebenso wie nach Indien und Indonesien, nach Russland, China und Japan und durch das damalige Europa, das seinen zivilisatorischen Rückstand gerade erst aufholte. Sein Buch beschreibt die großen Zusammenhänge und erzählt gleichermaßen von einzelnen Menschen, die diese Zeit erlebten und gestalteten. Es schildert die Weltgeschichte einer großen Epoche für

unsere Zeit und ist zugleich ein wahres Lesevergnügen □□□, 2006 **Strange Parallels: Volume 2, Mainland Mirrors: Europe, Japan, China, South Asia, and the Islands** Victor Lieberman, 2009-10-30 Blending fine grained case studies with overarching theory this book seeks both to integrate Southeast Asia into world history and to rethink much of Eurasia's premodern past It argues that Southeast Asia Europe Japan China and South Asia all embodied idiosyncratic versions of a Eurasian wide pattern whereby local isolates cohered to form ever larger more stable more complex political and cultural systems With accelerating force climatic commercial and military stimuli joined to produce patterns of linear cum cyclic construction that became remarkably synchronized even between regions that had no contact with one another Yet this study also distinguishes between two zones of integration one where indigenous groups remained in control and a second where agency gravitated to external conquest elites Here then is a fundamentally original view of Eurasia during a 1 000 year period that speaks to both historians of individual regions and those interested in global trends Strange Parallels: Volume 2, Mainland Mirrors: Europe, Japan, China, South Asia, and the Islands Victor Lieberman, 2003 Blending fine grained case studies with overarching theory this book seeks to rethink 1 000 years of Eurasian history
