seems irreparable Written for anyone who has experienced addiction s destruction whether personally or through a loved one this book demonstrates that your recovery story is actually a subplot in God s much larger narrative of redemption The same Jesus who spoke these profound truths 2000 years ago remains the living answer to every need that addiction creates This isn t theology dressed up in recovery language or recovery principles forced into religious molds This is the recognition that the deepest human struggles with powerlessness spiritual hunger moral confusion and existential emptiness find their ultimate solution in the One who declares I AM so that broken people can confidently declare WE ARE redeemed restored and renewed For those still struggling discover that your rock bottom can become His solid foundation For those in recovery there s more much more For families and loved ones find hope that no addiction is too severe for resurrection power For those in ministry meet your mission field in the rooms where miracles happen daily The mathematics of addiction never made sense but the mathematics of grace are equally counterintuitive less equals more weakness equals strength surrender equals victory death equals life This is more than a book it s an invitation to discover that the Higher Power who saved you from active addiction wants to save you for active discipleship Your recovery story is actually a love story and the love interest has a name From powerlessness to purpose from spiritual death to abundant life from the great I am not to the grateful we are this journey reveals that recovery isn t just about getting sober It s about getting saved staying saved and helping others find the same salvation you ve found This book will change how you understand both recovery and faith It s essential reading for anyone who believes that grace and spiritual awakening aren t just compatible they are inseparable
