## **Beyond Endurance Billion Freedom Suffer:**

Five Hundred Thousand Strokes for Freedom Wilson Armistead, 1853      **Voice of Israel** Abba Eban, 2019-08-16 Voice of Israel is a collection of Abba Eban's speeches before the United Nations Security Council and General Assembly at universities and other venues between 1948 and 1968 Eban addresses Israel's position on security in the Middle East the Arab refugee problem Jerusalem and the Holy Places freedom of navigation through the Suez Canal and the Straights of Tiran border clashes American Israel relations and the Six Day War The Ambassador sounds a note of fierce and joyous pride in the achievements of Israel The texts show Mr Eban's equal facility with the majestic phrase the mild word and the blunt rejoinder It need not be insisted that Mr Eban is the oratorical equal of the incomparable Sir Winston Churchill Hal Lehrman The New York Times For almost two generations Abba Eban was Israel's voice its messenger to the high and mighty among the nations as well as to the Jewish people all over the world Since he first appeared at the side of Dr Chaim Weizmann in the late 1940s during the struggle for Jewish statehood and sovereignty few people could articulate the Zionist and later the Israeli case with comparable eloquence and conviction With his Churchillian prose and almost Shakespearean cadences his mellifluous phrases and sonorous voice carried for decades a message of hope from a people that could have lost all hope and trust in humanity after the horrors of World War II As Ambassador to the United States and the UN and later as Foreign Minister he represented an Israel with which the world's liberal imagination could identify Larger and more powerful nations were envious of so powerful a spokesman and his speeches became textbook models for statesmen and diplomats in distant lands His books which he found time to write despite the hectic demands of diplomacy were a unique combination of enormous erudition and crystalline clarity His scholarly training and rhetorical gifts supplemented each other in a rare fashion Rarely has a small country been represented by a statesman of such world stature only Thomas Masaryk and Jan Smuts come to mind to compare with him He was a true patriot in the old fashioned sense of the word proud of his people but never ethno centric a man of the world but deeply embedded in Jewish cultural heritage focused on the plights and tribulations of the Jewish people but never losing the universal horizon of mankind In short he was a modern Jew in the best sense of the word Shlomo Avineri      Assistance to Greece and Turkey, Hearings Before the Committee on Foreign Relations: 80-1, on S. 938, a Bill to Provide Assistance to Greece and Turkey, March 1947 United States.
