Life Beyond Shame: Rewriting the Rules Connie Dawson, PhD, 2016-03-18 We've lived for eons with a set of rules guiding how we have relationships with one another. These Old Rules have without question been inadvertently passed without examination from generation to generation by our families. It's past time to expose them to the light of day. Why? Together these Old Rules create a toxic environment we accept as inviolate. We struggle against others and against ourselves not realizing that the shame-based Old Rules hold us back from being who we are meant to be and doing what we are meant to do. When feelings of undeserved shame something is wrong with us become part of how we think of ourselves, two things are true: 1. our true selves become more defended and less available to ourselves and others and 2. we become more easily manipulated to serve someone else's needs in ways that are not in our best interests. That sense of shame and the Old Rules reinforce each other. One look at them and it's easy to see how they make it difficult to have healthy relationships. They are definitely not conducive to happiness. We know better. We just need to know how to do better. One rule at a time. Unmasking and replacing Old Rules with even one of the New Rules begins to change everything. Change the rules, change the game.

Beyond Enlightenment Richard Cohen, 2006-08-21 Chapter 1 A BENIGN INTRODUCTION chapter 2 A PLACE OF EXCEPTIONAL UNIVERSAL VALUE chapter 3 A TALE OF TWO HISTORIES chapter 4 THE ANTHROPOLOGY OF ENLIGHTENMENT chapter 5 WHAT DO GODS HAVE TO DO WITH ENLIGHTENMENT chapter 6 A BAROQUE CONCLUSION

The Self-Shaming God Who Reconciles Warner M. Bailey, 2013-06-10 Trust is at the heart of healthy relationships. When trust is broken, the victim is made to feel as nothing. The Bible calls this experience of betrayal to be shamed. When the victim names God as the betrayer, those who exercise pastoral care in the church are faced with a spiritual crisis. Pastors and those who exercise pastoral care are led through biblical study and theological reflection to insights that strengthen their role in the recovery of both the victims and the perpetrators of betrayal. Central to this recovery is the solidarity of the self-shaming God with both victim and perpetrator. At the cross, shame reaches its most intense expression as Jesus voices his abandonment by God. Centering this pivotal experience in a doctrine of the Trinity makes clear how shame defines the very core of the redemptive work of God as Father, Son, and Spirit. Through the resurrection of Jesus, God triumphs over shame, and this vindication of God's integrity is the basis for the evangelistic preaching of the early church. *The Self-Shaming God Who Reconciles* underscores how Scripture functions as a theological document when interpreted canonically.

Jason C. Dukes,2011-11-01 Thinking beyond your church matters because the unity of the church is imperative in order for the work of God to happen in our city and in our world And not just unity in the one local church family that you call your own When all followers of Jesus actually love one another like Jesus loved us living according to His ways rather than our own then the world will see and in turn believe that Jesus was actually sent as the Son of God This is the unity Jesus prayed for It should be lived out among His followers and can only be present when God is the force holding us all together In this new release by pastor Jason Dukes you will explore this unity and discover how it can become part of the DNA of your local church expression
