White,2015-04-20 This book highlights some of the most difficult and persistent exploration ever undertaken in the United States in Burnsville Cove a small limestone valley in west central Virginia while at the same time reviewing the scientific discoveries made in the area s 116 km of caves in the course of 50 years Overall the book offers a unique combination of exploration and science by a conservation organization specifically dedicated to the preservation and study of the caves **Disciple Beyond Mediocrity** Brian Byrne,2020-08-27 *Disciple Beyond Mediocrity* addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne s examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr Byrne explores the seven characteristics of being a disciple based on the Lord s own words Denying oneself taking up his cross following the Lord forsaking attachments to all

he has abiding in His word bearing much fruit and loving one another Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a step by step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes with an examination of the destiny of the Lord s disciples in the New Jerusalem that descends to the earth at the end of time There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world

Why I Take the Bible Seriously but Not Literally Dr. Eugene C. Rollins,2013-01-25 As a pastor I have a dual role that of a prophet and a priest The prophet confronts the people and the priest comforts the people I am to comfort the troubled and trouble the comfortable In relationship to the Bible the dual

struggle is clear As the priest I take the Bible seriously because it changes lives first sermon I have never heard anyone give testimony that reading Platos The Republic Virgils Aeneid Homers Odyssey Ciceros Moral Ethics or John Stewart Mills Liberty changed their lives But thousands of people have given testimony of how reading the Bible has changed their lives forever As the prophet I propose to you that no book has been more abused than the Bible or more misunderstood The Bible has been a playground for lunatics profit for the charlatans a profession for the clergy a problem for theologians a puzzle for the general public and placid for the masses I believe if a person will read the Bible interpretatively and intelligently it will be read seriously respectfully and reverently thereby becoming the living word of God Gene Rollins Author **Evolving Life and Transition to the World Beyond** Ronald Radhoff,2011-05-13 The world is on the brink of major changes The vibrations are increasing on the planet and act as a catalyst that is empowering the light and suppressing the dark energies During this process great opportunities to be a part of a magnificent spiritual evolution are opening for those who choose the way of the loving light of God There is enormous confusion for many who have been subjected to false perceptions and are controlled through fear the great tool of the dark side of governments and yes even some religions This book is a result of the authors 33 year search for greater truths enhanced by communications from several spirit sources of the Deity plus answers about other life in the Cosmos including mind expanding descriptions from highly evolved beings about life on other planetary systems The author included several communications from friends and family when they described their transition experiences after crossing over to the World Beyond These messages go beyond fundamental religious myths and describe various dimensions in the spiritual realm This book is for you if youve ever wondered what your purpose in life is if you want to unleash greater powers of your mind if youve wondered whether there is intelligent life out there if youve wondered what the Afterlife is really like if you have any fear of dying death or crossing over if you really want to evolve spiritually Ron has given many lectures and presentations over several years to a variety of organizations Expressing his creativity Ron also paints in oil and is the cover artist From a reader Once I started reading your book it was so interesting I couldnt put it down and read it straight through I need eight more copies for family and friends Beverly R Novi Michigan **The Legend Of The Secret Saga** Estee Shoesmyth,2023-08-01 Over twenty years in the writing the three books in The Legend of The Secret Saga series evolved to be an fascinating magical story unlike any other as they poetically weave together a strange epic tale THE AUTHOR Estee Shoesmyth is a tangible figment of her own unbridled paradoxical imagination and the fantasy fiction pseudonym of eclectic American artist Suzanne T Dietz The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World The fantastical epic tale opens in Book One which is When Begin Began Celestial Scribe Angel Daria pens the following words To Whom It May Concern When this immense historical accounting commenced I surely did not anticipate that the nature of this story would ever veer off the straight and narrow path Instead it proceeded to travel along the strangest winding ways And so I followed it most dutifully with my pen in hand

Once upon a time an anonymous philosopher on The Ultimate Earth aptly intellectualized There are always three sides to every story your side the other side and the truth The story presented to you here may seem like nothing more than a collection of my own fantastical delusions Surely it could not be that which I myself have ever witnessed In that case it would certainly not make it to be truth However it is by my best accounting the strange but true enough telling of a deliberately long lost story from somewhere far out on the other side of Who Knows Where That s just the beginning In Book Two The Murky Middle the story dims to very very dark with the introduction of a terribly wicked magician s sorcery Through magic he enters into a spirit world and adamantly decided to stay there From that secret domain he meets another and the two in cahoots do some deliberately evil damage that stretches out from that invisible place right into the unsuspecting folks who live day to day in The Real World Those folks do not stand a chance to escape being affected by the magician s insidious determination to capture them all Eventually Adam and Eve are reincarnated into The Real World on a specific mission years beyond the peak of that magician s vicious reign By then the worse had evidently devolved into the worst that ultimately leads through to Book Three The End Of The End This story is utterly fascinating Its twisting and turning through that which may be somewhat recognizable is more tangled up into the fantastical that is addictive to read onward to find out what happens next All throughout there is mystery magic love hate obsessiveness rejection maliciousness brilliance stupidity sickness healing forgiveness revenge romance weirdness wonderment heavy heartedness humor life death and reincarnation All along there is that concept of eternity being a time lasting for Forever Which according to all reports in The Real World Forever is a long long time The Legend Of The Secret Saga is the complete epic trilogy in one colorful volume There is no other story like it in The Real World Not from When Begin Began throughout The Murky Middle and all the way to The End Of The End It is a story that is a Fairytale and a Fantasy Magical and Mythical Poetic and Artistic The Legend Of The Secret Saga is fantastical and not as expected it might be *Let a Shepherd Be Your Guide* Jacob Nathaniel Sheperd,2013-01-18 You will feel the inspiration of Jesus when you read the poems in this book The poet points to a lifelong love of limericks as the influence behind his poetic endeavors They are religious largely inspired by his Christian upbringing Although his first poem was written at the age of eighty two a desire to share his love for Jesus poetically has resulted in a large collection of poems not only about Jesus but also about everyday events in the long life of a dedicated Christian The poet follows strict rules so all the poems rhyme and are constructed that they make excellent lyrical and metrical subjects for reading to others
