### **Beyond The Prophecy Dual Magics 3 Volume 3:**

*Beyond the Prophecy* Meredith Mansfield, 2020-05-21 The foundations of Vatar's world are unraveling And being one of a handful graced or cursed with both kinds of magic makes Vatar a target One member of the ruling Council sees him as an obstacle to furthering her power Gerusa launches an unsanctioned attack on Vatar and his family When that fails she is forced to flee the city But that's far from the end Even from exile Gerusa exerts influence fomenting unrest and uncertainty She intends to unseat the Council and replace it with herself as sole and despotic ruler Unable to trust the Council Vatar sets out to stop her If he's captured he'll be forced to prove his boast that it's impossible to imprison anyone who can do what he can or die

Sword and Sorcery Shape Shifting Revenge Secret Magic **Become: To Catch the Lightning** Meredith Mansfield, 2020-06-16 He could become a god He could just burn to death Son of a mortal king and the earth Goddess Gaian has known since he was ten that it was possible for him to Become a god too The catch is that he'll have to die by burning first He's not quite ready to try that yet especially since fire is the one thing he's afraid of He was raised to be a warrior His father wants him to be the next king if only to keep him from thinking about Becoming Neither feels right There must be another purpose for his more than human strength The Goddess must have had a reason for giving him that gift When he meets Mariel Gaian is willing to put all thoughts of being a king a warrior or even Becoming a god aside Little does he suspect that family may be the one thing worth burning for Inspired by the legend of Hercules Noblebright Fantasy Hercules goddess god warrior sword **Become: Brothers** Meredith Mansfield, 2020-06-16 Two half brothers born a day apart First born Gaian is the son of the king and a goddess His more than human strength seems a poor exchange for the support of a flesh and blood mother as he struggles to be worthy of Becoming a god himself Or just struggles to rise above the

machinations of the queen A single day younger Benar is the son of the king and queen Like his mother he refuses to believe the story of Gaian's birth He struggles to fulfill his mother's wishes by proving himself to be his father's true heir But frustration and guile prove to be poor weapons against Gaian's unnatural strength Until a coming of age trial forces them either to cooperate and become brothers in truth or else one of them may not survive the trial Inspired the legend of Hercules Noblebright Fantasy Goddess Hercules Brothers Coming of Age **Infected by Magic** Meredith Mansfield, 2023-12-31 Rell was barely old enough to remember when the mages of his world destroyed each other and a lot of the world in the Great Mage War Nothing is left of magic except the deadly mage storms unleashed by that cataclysm Or so everyone believes **Wyreth's Flame** Meredith Mansfield, 2023-07-29 Sometimes the gift of the right story to tell at the right time is a blessing Sometimes it's a curse But the Norse gods don't leave Astrid much choice either way On the eve of a desperate battle with her father lying mortally wounded the gods give her a story about the first dragon to learn to breathe fire As usual the story doesn't come with instructions It's up to Astrid to decide if the story is meant to calm the frightened children or encourage the dispirited men Or if she just might be able to do both with the same story All their lives may

depend on her skill with a story      **Become: To Ride the Storm** Meredith Mansfield,2020-06-16 As a son of the Goddess Gaian might become a god himself if he can remember to try In the conclusion of the Become series Gaian has no memory of who he is He can barely remember his own name The only thing he knows the only thing he holds onto is the belief that his purpose is to protect others That and the certainty that the forest would cause immeasurable harm to others Everyone else believes Gaian is dead But they know what he has forgotten that an ancient prophecy says that a son of the Goddess could become a god the Sky God with the right help At the prompting of a new prophecy Margan the son born after Gaian s death comes over the mountains There he meets Rose the girl with a gift for dreams who was once rescued by a strange man in the forest Together they might have the abilities needed to help Gaian complete his destiny Inspired by the legend of Hercules Noblebright Fantasy Hercules Goddess god Warrior Healer Dreams      *The Voice of Prophecy* Meredith Mansfield,2020-05-21 When the two kinds of magic combine in one person unexpected things happen Sensing the presence of lions is one thing Any member of the Lion Clan could do that When Vatar sees the hunt through the eyes of one of the big cats well that s something else altogether And that s only the beginning of the unusual manifestations of his magic When a mysterious voice only he can hear volunteers ancient wisdom Vatar knows he s in trouble After enduring an Ordeal to prove he isn t haunted by an Evil Spirit Vatar thinks he may be possessed after all Or losing his mind Or cursed He must hide his Talent from his magic fearing people or face consequences that don t bear thinking about But he has to control it in order to keep it secret And now he s not sure he can It s enough to make him want to give up on magic altogether But he s going to need all his wits and all the magic he can muster to defeat those who want to use him and his unique abilities for their own ends Noblebright Fantasy Sword and Sorcery Mystery Prophecy Superstition      *Modgud Gold* Meredith Mansfield,2020-05-25 Changing his apprenticeship from the Smiths Guild to the Merchants gives Arcas a second chance Not just for a career that suits him far better but also to prove himself worthy of the lovely Elaria But to accomplish that he must leave his seaside city and Elaria for a year In that time he travels among the barbarians hoping to find something to trade for that will be worth the hardships and dangers Something like gold Sword and Sorcery Coming of Age Adventure      War of Magic Meredith Mansfield,2020-05-21 In the final book of the Dual Magics series Vatar will need both kinds of magic to prevent all out war Enemies unite to move against his adopted city just when that city is torn by unrest Vatar started the turmoil by revealing secrets that had been kept for six hundred years Now he s forced to accept the responsibility and power he d rejected in order to bring the population together against this threat And the greater challenge is still ahead when the enemy turns their attack onto the plains The magic fearing tribe of his birth have no way to stand against the sorcery that will be unleashed against them Unless Vatar and his friends defend them But that may cost Vatar his first home his identity and half his family Because if he reveals his magic he may never be able to go home again Noblebright Fantasy Sword and Sorcery Shape Shifting Deception      Fire and Earth Meredith Mansfield,2020-08-03 Casora is the captain of the war band

known as the Deathless so it's her responsibility. Her fault that so many of them turned berserker at the news that their homeland had been conquered. All she wants is to lead the Deathless back home to drive out the invaders but berserkers are barred from ever returning. Unless they can find a cure for the Curse. There's one chance, the answer to a prayer: help the youngest prince find his way and he will help them find theirs. It's their only hope. Tiaran is the youngest prince of Artria, the one no one believes can ever be a warrior. His father has other plans. Tiaran is to be used to secure the loyalty of an opportunistic general by marrying the general's horrible daughter. Deep down in a way he can't explain, he knows he must fight to defend Artria from the invading horde. No one would believe him if he told them that they'll lose the war if they don't let him fight. So be it. But taking matters into his own hands very nearly gets him killed. When these two join forces on the battlefield, they'll shake the foundations of kingdoms. Sword and Sorcery. NobleBright berserker war destiny. Daughter of the Disgraced King Meredith Mansfield, 2020-08-25. Keep your head down. Don't draw attention. Above all, don't make yourself a target. Those are the rules seventeen-year-old Ailsa lives by. It's just part of being the daughter of the disgraced ex-king and living too close to his more than slightly paranoid successor. The new king's insecurities and repressive policies drive most of the mages out of the kingdom and with them, the magic that her desert country urgently needs to survive. Desperate Ailsa sets out to study magic so she can help keep Far Terra green. But it's not as easy as just learning to use her own magic. She's going to need allies. She's going to need the very kind of political power that is forbidden to mages. She must decide if she can trust her heart and Far Terra's future to the childhood friend who is also the new king's heir. Or she could choose to team up with the fascinating and cheerfully annoying fellow student of magic who it turns out has even higher political connections to the emperor himself. It may take all three of them to bring Far Terra back from the brink. Romance. Magic. NobleBright Fantasy. Throne Betrayal. Treason. **The Bard's Gift** Meredith Mansfield, 2020-08-04. The Reluctant Story Teller. Sixteen-year-old Astrid keeps mostly to herself, finding companionship in the stories her grandmother used to tell. She's too shy even to talk in front of Torolf, the young man she secretly dreams of. Then the Norse god of eloquence appears in Astrid's dreams and forces her to drink the Mead of Poetry. Suddenly she's compelled to tell her stories in public. Even in front of Torolf. Astrid is meant to use these stories to guide her people from starvation in Greenland to a better future in Markland. A place legends claim is the abode of dragons. But not all of her fierce and independent people are willing to follow a mere girl, even the chieftain's daughter, especially when she counsels peace. Some have other plans for the new land and want to use Astrid and her gift as a tool. The Inventive Young Man Who Loves Her. Torolf never dreamed that quiet Astrid could choose him. Now he's stranded in Iceland as she sails in the opposite direction. To attain the promise of a future with Astrid, he'll have to attempt the impossible: sailing alone across the North Atlantic. Together they might defy the plans the gods have made for them and change the fate of more than just their own people. Norse gods. Thunderbird. Norse Sagas. Norse mythology. Iceland. Greenland. Vinland. Markland. NobleBright. **The Shaman's Curse** Meredith Mansfield, 2020-05-21. The two kinds of magic have

always been totally separate Until now Vatar risked his life to try to save his friend and failed Now he has an implacable enemy in the shaman who blames Vatar for the death of his only son He s forced to flee his home at least until the shaman s thirst for revenge cools Taking shelter with his mother s people in one of the coastal cities Vatar learns more than he bargained for He agreed to learn to work iron and steel but he never suspected to find a magical heritage as well And that s a problem A huge problem Because unlike their own Spirit magic his people regard the city magic as the work of Evil Spirits If the shaman ever found out about this it could be the weapon he needs to destroy Vatar And yet finding a way to accept the other side of his heritage may be the only way Vatar can ultimately defeat his enemy and win more than his freedom Sword and Sorcery Revenge Coming of Age Superstition **Witchcraft and Magic in Europe, Volume 3** Karen Jolly,2002-01-01 Between the age of St Augustine and the sixteenth century reformations magic continued to be both a matter of popular practice and of learned inquiry This volume deals with its use in such contexts as healing and divination and as an aspect of the knowledge of nature s occult virtues and secrets The Shakespeare Phrase Book John Bartlett,1881 **Magic and Paganism in Early Christianity** Hans-Josef Klauck,2003-03-01 Many forms of magic and paganism were practiced at the time of Jesus What were these practices and how did the first Christians react to them Hans Josef Klauck an expert in the cultic practices of the region describes this world into which Christianity was born and relates to it the many experiences of the first Christians recorded in Acts Peter for example encounters the Samaritan magician Simon Paul meets the Jewish magician Bar Jesus the people in Lystra want to offer a sacrifice to Paul and Barnabas a soothsaying slave girl is the occasion of conflict in Philippi in Athens Paul finds the city full of idols but also discovers an altar to an unknown god in Ephesus some burn their books of magic formulae while other provoke a riot in the name of Artemis Professor Klauck provides a fascinating account of these phenomena and their significance for Christianity historically and today Available November 2000
