Beyond the Zone West End Games Staff,1993 Bracing for the Apocalypse Anna Maria Bounds,2020-06-04 Increasing American fear about terrorism environmental catastrophes pandemics and economic crises has fueled interest in prepping confronting disaster by mastering survivalist skills This trend of self reliance is not merely evidence of the American belief in the power of the individual rather this pragmatic shift away from expecting government aid during a disaster reflects a weakened belief in the bond between government and its citizens during a time of crisis This ethnographic study explores the rise of the urban preppers subculture in New York City shedding light on the distinctive approach of city dwellers in

preparing for disaster With attention to the role of factors such as class race gender and one s expectations of government it shows that how one imagines Doomsday affects how one prepares for it Drawing on participant observation the author explores preppers views on the central question of whether to bug out or hunker down in the event of disaster and examines the ways in which the prepper economy increases revenue by targeting concerns over developing skills building networks securing equipment and arranging a safe locale A rich qualitative study Bracing for the Apocalypse will appeal to scholars of sociology and anthropology with interests in urban studies ethnography and subcultures **Everyday Survival Kits** Mark Puhaly, Joel Stevens, 2014-11-14 Be Prepared to Survive Everyday Emergencies The keys to your everyday survival are situational awareness knowledge and practiced preparedness skills Sure it s important to have trustworthy survival gear but possessing the mindset that you are prepared for anything and that you will survive no matter what happens is your secret weapon that will help you to stay alive in an emergency Everyday Survival Kits contains clearly outlined packing lists for what you need for specific survival situations A situation will arise when you ll require more than just a bug out bag or a get home bag with the help of this guide you ll be prepared to stay alive Inside you ll find detailed packing lists for a variety of kits including everyday carry hip bag pocket survival kit emergency 72 hour bag urban survival bag day hike kit emergency car kit vacation kit student kit purse kit extreme weather kit maritime kit and the ultimate bug out bag practical applications and detailed instructions of how to use each item in the kit a resources section to take the guesswork out of finding and buying the right gear for the kit non branded gear recommendations so you can select gear that fits both your need and your budget real world scenarios in which the kits will be useful The only person you can fully rely on in a survival situation is you The more you think about possible emergencies now and prepare for them before they happen the more likely you are to survive The future belongs to those who are prepared so be ready Apocalypse Survival T. Gordon Larsen, 2016-01-28 This is a manual for Evangelical Christians who anticipate the second coming of Jesus Christ and understand that they may be called upon to endure some of the hardships of the End Times It takes the genre of survival literature up a notch by addressing the moral ethical and doctrinal questions that Christians should consider in planning for existential challenges in an uncertain future The author doesn t reinvent the wheel on common survival issues but covers items of interest to Believers who want to develop a survival strategy that deals with the world as they find it yet is consistent with their faith Among these are Does charity really begin at home Is it righteous to use lethal force in defense of yourself and others Does subscribing to the Pre Tribulation Rapture mean that Believers need not be concerned about coping with the End Times
