Beyond Ordinary When A Good Marriage Just Isn't Good Enough:

Beyond Ordinary Justin Davis, Trisha Davis, 2012-12-20 How safe is your marriage The answer may surprise you The biggest threat to any marriage isn't infidelity or miscommunication The greatest enemy is ordinary Ordinary marriages lose hope Ordinary marriages lack vision Ordinary marriages give in to compromise Ordinary is the belief that this is as good as it will ever get And when we begin to settle for ordinary it's easy to move from I do to I'm done Justin and Trisha Davis know just how dangerous ordinary can be In this beautifully written book Justin and Trisha take us inside the slow fade that occurred in their own marriage each telling the story from their own perspective Together they reveal the mistakes they made the work they avoided the thoughts and feelings that led to an affair and near divorce and finally the heart change that had to occur in both of them before they could experience the hope healing and restoration of a truly extraordinary marriage

Appling,2013-03-15 You will be creating for the rest of your life You might as well do it on purpose Everyone was an artist

once But somewhere between kindergarten and now we lost the confidence to create We've crumbled under the pressure to find our place in the real grown up world and now see the art room as a happy memory with no real value Instead of approaching the world with childhood freedom and peace we fear unmet ambitions We fear that our lives have little meaning purpose or value We fear that God has a plan for us but we're missing it Yet if we travel back to our seats in the art room art teacher Matt Appling reminds us of lessons we've forgotten the joy of creating and the freedom we had to succeed or fail We can relearn these lessons and practice them to lead the contented joy filled and productive lives that God created us to live
