Lady Gardeners Francesca Orestano, Michael Vickers, 2023-10-12 The Lady Gardeners are those women who from the eighteenth century to the present day have been working in a garden from imagining and creating it to sowing planting pruning painting and photographing plants and moving from garden design to more urgent themes such as landscape conservation and environmental issues **The Future of Gardens** Mark Lane, 2025-05-15 How could our gardens grow Designer and broadcaster Mark Lane considers the green spaces of the future amazing advances in gardening technology and the challenges of an increasingly extreme climate As our world continues to change the gardeners of the future will face many obstacles and dilemmas from adjusting our practices to less predictable weather conditions and tighter areas to finding a happy coexistence with AI as it becomes more prevalent in our digital and physical equipment But there is still joy to be found through plants Whether it's a window box on a balcony a neighbourhood vegetable patch or a field of wild flowers Lane presents a vision of gardens for everyone providing crucial microclimates for wildlife acting as community hubs and potentially transforming our physical and mental health He even imagines gardening in space what might horticulture look like as we begin to populate distant worlds The Future of Gardens looks at this evergreen discipline with a bold vibrant and inquisitive eye Lane's own vision for inclusivity sustainability and forward thinking design shines throughout this extraordinary addition to the FUTURES Series **Beth Chatto's Green Tapestry Revisited** Beth Chatto, 2021-12-09 First published in 1989 Beth Chatto's Green Tapestry described in words and photographs how Beth Chatto created her now world famous gardens and the thinking that lay behind them Beth Chatto's Green Tapestry Revisited brings the story up to date Given the current issues about climate change Beth's ethos of choosing those plants that are best suited to the prevailing conditions could not be more appropriate Her original text has been revised and updated by David Ward Gardens and Nursery Director at Beth Chatto's Plants and Gardens and Asa Gregers Warg the head gardener both of whom worked with Beth during her lifetime and continue to work at the gardens to this day This new edition highlights the changes all in line with sustainable planting that have been made in the 30 years since The Green Tapestry was first published including the

subsequent addition of the Woodland Garden the major transformation of the Entrance Garden into the much acclaimed drought resistant Gravel Garden the creation of the Scree Garden and most recently the substantially redesigned Reservoir Garden A feature of the original book the planting plans for sample beds in key areas of the gardens have also been updated in this edition as have the entries in the practical Plant Directory to some of Beth's favourite perennials The foreword is by Julia Boulton Managing Director of Beth Chatto's Plants and Gardens *Beth Chatto's Green Tapestry* Beth Chatto,1998-12
