Bethlehem To Patmos The New Testament Story:

Bethlehem to Patmos Paul William Barnett, 1989 *Bethlehem to Patmos: The New Testament Story (Revised 2013)* Paul Barnett, 2013-03-08 The historian Paul Barnett examines the New Testament story and beyond in this revision of his bestselling work *Bethlehem to Patmos* Through this fascinating journey he shows that the New Testament is historically reliable on the life of Jesus and the early experiences of the nascent first century church I am thrilled that Paul Barnett's time honoured orientation to the New Testament will continue to find an audience with this new edition In an age in which religion is frequently evaluated by the sound bytes of its most eccentric representatives it is essential to find a reliable guide to the actual documents that underlie the Christian faith Barnett's familiarity with the documents sane historical judgement and engaging storytelling make him just such a guide The work moves swiftly from the events that opened the New Testament era to those that brought it to a close Along the way Barnett shows how these events relate to scholarly understanding of the era what was at stake in interpreting and committing these events to writing and why these events continue to have significance The book is immensely useful as a solid orientation for students of the New Testament and I commend it gladly Matthew R Malcolm Head of New Testament Trinity Theological College Western Australia *Bethlehem to Patmos* Paul William Barnett, 1998 *Bethlehem to Patmos* Paul Barnett, 2013 The historian Paul Barnett examines the New Testament story and beyond in this revision of his best selling work *Bethlehem to Patmos* **New Documents**

Tell Me a Story Scott McClellan,2013-02-18 Do you know what makes a story great All the best stories have a few things in common First we need the voice of a narrator or a storyteller Then add interesting characters throw them into a risky setting and get ready for a good dose of conflict Give those characters a purpose or goal and that s then the real action begins Story is our calling It is also the next generation s best chance of identifying with the Church and changing the world As we become storytellers we learn to see the world in terms of stories being lived and told We discover deeper insights into God ourselves and others God s story is happening We are right in the middle of a page turner and God is in it with us Start seeing your life as a part of God s story and make some great adventures happen right now **Past, Present, and Future**

Australian Society for Classical Studies,1990 **Preacher, Can You Hear Us Listening?** Roger E. Van Harn,2005-02-03 Everyone knows that pulpits are for preaching and pews are for listening to sermons This obvious scenario however masks an essentialprerequisite for faithful fruitful preaching namely that preachers listen to God and to their people before they speak Roger Van Harn here puts forth pointed questions that sermon listeners really ask of preachers Why should we listen to sermons Does every sermon need a Bible text How can a sermon be the word of God Do you preach for the church or the world Van Harn grapples withand discusses such questions giving preachers fresh insights into the needs and desires of congregations Preacher Can You Hear Us Listening will foster an ongoing dialogue between pulpit and pew and sharpen listening skills in both directions
