Maier,2001 A beautifully illustrated gift book that offers the real historical drama of Christmas by award winning author and historian Paul L Maier **Carols of Christmas: Discovering the Spirit and Stories of Holiday Songs** Priscilla Reese,2025-03-30 Unveil the enchanting tapestry of Christmas carols exploring their origins historical significance and the poignant tales they tell From the familiar strains of Silent Night to the rousing harmonies of Hark The Herald Angels Sing each carol holds a timeless message that has resonated through generations Delve into the stories behind these beloved hymns uncovering the events that inspired them the people who penned their lyrics and the traditions that have shaped their enduring popularity Witness the transformative power of music as it brings communities together evokes memories and fosters a sense of unity and goodwill Whether you re a seasoned caroler a history enthusiast or simply someone seeking the spirit of Christmas this comprehensive guide will ignite your passion for these iconic songs Discover the true meaning of peace joy and hope that lies within their melodies and immerse yourself in the festive atmosphere they create Through these pages you ll gain a deeper understanding and appreciation for the carols that have become an integral part of our holiday celebrations Let their timeless messages inspire you this Christmas season and beyond **A Dangerous Report** J. Harold Ellens,2014-02-28 This volume is tightly packed with surprising insights one simply does not normally hear from the pulpit but yet are so obviously implied in the biblical narratives of Christmas and Easter Dr Ellens has a unique way of cracking open familiar biblical sentences and stories and spilling out an entirely fresh cornucopia of life changing insights about the radical nature of the good news about God s grace Ideas and metaphors from the Bible that we have heard or read so often that they have become routine and clich suddenly flower with refreshing new meanings and intimations Dr Ellens carefully

and cogently expressed biblical interpretation and sermon oratory incarnate God's truth and bring to lively new vitality a vivid experience of God as the driving force of Divine Spirit in our personal lives and in history Preaching has seldom been this engaging powerful and spiritually empowering This warm hearted book is a clear and clarion call for one central theme God's radical uncalculating unconditional and universal forgiving grace Claims for God's redemptive presence and intent for our world that pulpiteers have often feared avoided or failed to see in the center of the gospel are here set forth with unapologetic boldness Dr Ellens trumpet is not muted at any point Obviously this hearty soul has a passion for the spirit a stimulating mind and an informed pastoral appeal for life changing encounters with the biblical story and of the insinuation of God's self into human and historical life at Christmas Easter and all other times

**Johann Sebastian Bach's Christmas Oratorio** Markus Rathey,2016 In the last decades of the 17th century the feast of Christmas in Lutheran Germany underwent a major transformation when theologians and local governments waged an early modern war on Christmas discouraging riotous pageants and carnivalesque rituals in favor of more personal and internalized expressions of piety Christmas rituals such as the Heilig Christ plays and the rocking of the child Kindelwiegen were abolished and Christian devotion focused increasingly on the metaphor of a birth of Christ in the human heart John Sebastian Bach's Christmas Oratorio composed in 1734 both reflects this new piety and conveys the composer's experience living through this tumult during his own childhood and early career Markus Rathey's book is the first thorough study of this popular masterpiece in English While giving a comprehensive overview of the Christmas Oratorio as a whole the book focuses on two themes in particular the cultural and theological understanding of Christmas in Bach's time and the compositional process that led Bach from the earliest concepts to the completed piece The cultural and religious context of the oratorio provides the backdrop for Rathey's detailed analysis of the composition in which he explores Bach's compositional practices for example his reuse and parodies of movements that had originally been composed for secular cantatas The book analyzes Bach's original score and sheds new light on the way Bach wrote the piece how he shaped musical themes and how he revised his initial ideas into the final composition

*Christmas of God* Ary S. Jr.,2023-10-11 Christmas of God transports us to Bethlehem the humble town where the most extraordinary event in human history unfolded the birth of Jesus Christ Through the author's eloquent prose we walk alongside this ordinary yet chosen couple feeling the weight of Mary's impending motherhood and witnessing Joseph's unwavering faith **The Morning Star and Free Baptist**,1898 [The Evolution of Christmas](#) Gustavo Vazquez-Lozano,2025-05-22 Christmas is the most important holiday of the year After the corresponding days that exalt the national pride of each country such as Independence Day in the United States Victory Day in Russia or Bastille Day in France it's December 25 that articulates the life the work and the economy in much of the world including many non Christian countries Since ancient times the beginning of winter has been the occasion for most people to eat drink dance and get together to beat the drum and take a break Especially since the 20th century on the days adjacent to the holiday have become an occasion to do big business The winter season is the most solid stimulus for the economy more than any fiscal package since the incomes of families spending credit and consumption in all productive sectors are significantly increased In the United States alone Christmas sales are estimated to generate 3 trillion This jubilee of consumption and purchase of goods and gifts is accompanied by a series of child pleasing customs a pine tree with lights and ornaments inside the homes

Christmas carol preparation of sweet meals and treats the chubby figure of Santa Claus and to a lesser extent Nativity scenes depicting the birth of Jesus Each country also preserves exclusive traditions that are highly esteemed among their own population In Russia people cook 12 dishes in honor of the 12 apostles then return to the church for an all night vigil In Estonia children must sing before receiving their gifts In Mexico groups of people wander from door to door singing the story of Joseph and Mary when they were searching for a place to stay and inside the house that receives them they break pi atas full of candy In the United States the streets are decorated with colorful lights and choirs of children sing carols beside huge fir trees In India even with its Christian minority people call Christmas the big day and celebrate it by planting trees The holiday animates debate too For those interested in history it is the time of documentaries on television where so called experts repeat the worn out speech that the Church deliberately put the date of Christmas over a pagan celebration the Saturnalia or Sol Invictus the solar god of the Roman Empire Others will say that Santa Claus is a legacy of Norse mythology related to Odin s journey through the heavens and that the star of Bethlehem could have been a spectacular planetary conjunction that occurred in 7 BCE For the self denominated neo atheists it is the time to offer interviews on major networks and declare that everything is a hoax and that the story of Jesus s birth is a myth copied from the story of the god Mitra The celebration goes unnoticed for no one making Christmas arguably the only holiday that for better or worse unites the whole planet How did things progress from that story in the Bible with a Jewish girl giving birth to the Messiah of Israel in a manger in the city of Bethlehem to the modern colossus that is the Christmas holiday How did Santa Claus the Christmas tree the snow sleighs the presents and family reunions become the distinctive features of the holiday if none of them were there at the beginning The answers can be attributed to a chain of events characters oral traditions artistic works and an assimilation of local especially Germanic folklore that came together to create Christmas as the world now knows it
