General Mills ,1950 *Leading from the Center* Gil Troy,Professor of History Gil Troy, PH D,2009-10 George Washington Abraham Lincoln Theodore Roosevelt Franklin Delano Roosevelt John F Kennedy most would agree their presidencies were among the most successful in American history But what made these very different men such effective leaders According to presidential historian Gil Troy these presidents succeeded not because of their bold political visions but because of their moderation Although many of the presidential hopefuls for 2008 will claim to be moderates the word cannot conceal a political climate defined by extreme rhetoric and virulent partisanship In *Leading From the Center* Gil Troy argues that this is a distinctly American state of affairs The great presidents of American history have always sought a golden mean from Washington who brilliantly mediated between the competing visions of Thomas Jefferson and Alexander Hamilton to Lincoln who rescued the Union with his principled pragmatism to the two Roosevelts who united millions of Americans with their powerful affirmative nationalist visions As America lines up to select a president for the future Gil Troy astutely reminds us of the finest traditions of presidential leadership from our nation's past **Betty Crocker Cookbook** Betty

Preserving Family Recipes Valerie J. Frey, 2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma s handwritten cards on the countertop next to a steaming pot or a spattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday s foodways evolve so they are relevant for today s table or create an extensive family cookbook this guidebook will help you to savor your memories
