Constructing Cuban America Andrew Gomez, 2024-09-17 On July 4th 1876 during the centennial celebration of U S independence the city of Key West held a different type of celebration In some areas in post Civil War Florida Black residents were hindered from 4th of July festivities which would lead to reflecting on the events of the Civil War However Key West s celebration led by a Cuban revolutionary mayor working in concert with a city council composed of Afro Bahamians Cubans African Americans and Anglos marked the centennial in the halls of an institution that boasted an interracial school and proudly hung a Cuban flag outside its building Deep into the Radical Reconstruction era this represented one of the most profound exercises in interracial democracy Gomez explores how race shaped the first Cuban American communities in South Florida specifically in Key West and Tampa which were the locations of the first groups of Cuban Americans with race being a central factor of unity and division during Radical Reconstruction the Cuban independence movement Jim Crow and Cuba s 1912 Race War While looking at factors such as ethnicity gender labor and foreign policy Gomez makes the argument that Cuban American interracial unity in the nineteenth century disintegrated due to the racism held by white Cuban Americans which then led Black Cubans to organize with Florida s multiethnic Black communities

Racial Politics in Post-Revolutionary Cuba Mark Q. Sawyer, 2005-11-28 This book analyzes the triumphs and failures of the Castro regime in the area of race relations It places the Cuban revolution in a comparative and international framework and challenges arguments that the regime eliminated racial inequality or that it was profoundly racist Through interviews historical materials and survey research it provides a balanced view The book maintains that Cuba has not been a racial democracy as some have argued However it also argues that Cuba has done more than any other society to eliminate racial inequality The contemporary outlook of the book demonstrates how much of Cuban racial ideology was unchanged by the revolution Thus the current implementation of market reforms and in particular tourism has exacerbated racial inequalities Finally it holds that despite these shortcomings the regime remains popular among blacks because they perceive their alternatives of the US and the Miami Exile community to be far worse
