Between Women And Generations Legacies Of Dignity Feminist Constructions:

Between Women and Generations Drucilla Cornell, 2005 Drucilla Cornell interweaves the ethical and the political in this unique and profound narrative focusing on women and dignity *Global Feminist Ethics* Peggy DesAutels, Rebecca Whisnant, 2010 This volume is fourth in the series of annuals created under the auspices of The Association for Feminist Ethics and Social Theory FEAST The topics covered herein from peacekeeping and terrorism to sex trafficking and women's paid labor to poverty and religious fundamentalism are vital to women and to feminist movements throughout the world

Disability Bioethics Jackie Leach Scully, 2008-08-15 This book reconceives disability as a set of social relations and practices as experienced embodiment and as an emancipatory movement as well as a biomedical phenomenon The author brings new attention to complex ethical questions surrounding disability looking at not only *Telling Our Lives* Frida Kerner Furman, Linda Williamson Nelson, Elizabeth A. Kelly, 2005-06-09 *Telling Our Lives* explores how three working class women from Jewish African American and Irish American backgrounds connect across their differences through storytelling and conversation Three distinct voices intertwine in this book as the authors now college professors discuss family legacies of diaspora and dislocation analyzing how these have shaped their personal and professional lives Social class ethnicity gender sexuality and spirituality intersect and diverge in these pages as the authors reflect on how they have been enriched and transformed by the relationships forged in the process of storytelling *Socializing Care* Maurice Hamington, Dorothy C. Miller, 2006-01-10 Contributors to this volume demonstrate how the ethics of care factors into a variety of social policies and institutions and can indeed be useful in thinking about a number of different social problems Divided into two sections the first looks at care as a model for an evaluation **Transversal Democracy Projection in the Mediterranean** Anna

Khakee, Sarah Wolff, 2024-08-09 This book expands on the existing literature on the international dimension of democratization by introducing the concept of democracy projection Democracy projection is defined as the projection of democratic norms through the every day practice of interactions beyond any donor recipient relationship between states and foreign civil society actors on issue areas where both sides have interests to defend The edited volume examines a variety of such issue areas including trade anti corruption applied research gender and LGBTI focusing on EU practices in its everyday dealings with civil society in the Southern Mediterranean Based on comparative case studies relying on extensive interviews direct observations and content analysis the chapters in this book conclude that the extent to which democracy is projected varies according to four main factors the EU's perceived interest its ideational commitment to norms of dialogue and inclusion the degree of institutional inertia and dominant discourses structures of meanings which preclude EU engagement on substance Transversal Democracy Projection in the Mediterranean will be of interest to students and scholars of Political Science International Relations and Democratisation studies The chapters in this book were originally published as a special issue of *Mediterranean Politics* *The Philosopher's Index*, 2006 Vols for 1969 include a section of abstracts

Modernism, Gender, and Culture Lisa Rado,2013-09-05 Focusing on cultural practices and gender issues during a period of the early 20th century that witnessed radical transformations in sex roles this anthology of original and one classic essays will generate a greater understanding of women s contributions to modernist culture and explore how that culture was affected by gender issues The essays provide a wealth of insights into literature painting architecture design anthropology sociology religion science popular culture music issues of race and ethnicity and the influence of 20th century women and sexual politics *Books in Print Supplement* ,2002 *Embodying Geopolitics* Nicola Pratt,2020-10-27 When women took to the streets during the mass protests of the Arab Spring the subject of feminism in the Middle East and North Africa returned to the international spotlight In the subsequent years countless commentators treated the region s gender inequality as a consequence of fundamentally cultural or religious problems In so doing they overlooked the specifically political nature of these women s activism Moving beyond such culturalist accounts this book turns to the relations of power in regional and international politics to understand women s struggles for their rights Based on over a hundred extensive personal narratives from women of different generations in Egypt Jordan and Lebanon Nicola Pratt traces women s activism from national independence through to the Arab uprisings arguing that activist women are critical geopolitical actors Weaving together these personal accounts with the ongoing legacies of colonialism *Embodying Geopolitics* demonstrates how the production and regulation of gender is integrally bound up with the exercise and organization of geopolitical power with consequences for women s activism and its effects **Resentful Women, Weakened Men** Conrad Riker,101-01-01 Are you tired of being shamed for being a man Do you feel like society is turning against you You re not alone Do you feel like women are constantly blaming men for their problems Are you frustrated by the double standards that favor women in every aspect of life Do you believe that traditional masculinity is under attack This book is for men who are fed up with the lies of feminism and the woke agenda It exposes the truth about how progressive ideologies are destroying masculinity empowering entitled women and creating a culture of resentment and victimhood Discover how feminism has gone too far turning women into aggressive entitled and resentful beings Learn why the woke movement is a Marxist ploy to divide and conquer society Understand how black women weaponize their anger and victimhood to manipulate and control See how toxic masculinity is a feminist myth designed to shame and emasculate men Find out why traditional masculinity is the foundation of a strong and stable society Explore the dangers of vulnerability and why men must avoid it at all costs Uncover the role of religion in restoring order and rejecting victimhood Learn how to reclaim your masculinity and stand firm against the demands of entitled women If you want to take back your power reject the lies of feminism and restore traditional values then buy this book today It s time to fight back against the culture of resentment and victimhood that is tearing society apart *The Midwives of*
Seventeenth-Century London Doreen Evenden,2000-03-13 Evenden also offers an informed depiction of the midwives in their socioeconomic context by examining a wide range of seventeenth century sources BOOK JACKET **Transforming the**

Curriculum Johnella E. Butler, John Christopher Walter, 1991-01-01 Some 20 essays discuss the interrelation of ethnic and women's studies and some of the innovative theories and programs that have succeeded or failed recently. Many of them draw on the author's experience and include such topics as the pattern of foundation grants integrating women of color into literature and history courses and Jewish invisibility in women's studies. French Women in Politics: Writing Power Raylene L. Ramsay, 2003 Although more women in France have entered political life than ever before, the fact remains that there are fewer women representatives in the French parliament than there were after the Second World War. In a new and original approach, the author presents an overview and analysis of the emerging body of text by or on women who have held high political office in France. The argument is that writing about women and politics has not just described or reflected women's slow but now substantial entry into political life; it has played a major part in shaping the parity debate and its outcomes. Interviews with political women such as Huguette Bouchardeau, Simone Veil, or Edith Cresson, inserted in the text, demonstrate the emergence and circulation of a new common discourse focused on the issue of whether women in politics make or should make a difference. A close reading of the various texts examined in this book and their connection to new public counter-discourses in France suggest that a re-writing of power is indeed occurring.

Feminism and Christianity Caryn D. Riswold, 2011-05-26 Why should feminists care about Christianity? Why should Christians care about feminism? In *Feminism and Christianity*, Riswold presents a collection of concise answers to basic questions like these in order to generate discussion about how the two can challenge each other and can even work together in the twenty-first century. Situated firmly in the third wave of feminist activism and scholarship as well as in contemporary Christian theology, Riswold addresses issues such as race, class, gender, and sexuality with an affirmation of tradition alongside a push for change. This book is an opportunity for Christians to gain a fuller understanding of feminism, moving beyond stereotypes and assumptions and into history and contemporary society. Simultaneously, this book is an opportunity for feminists to understand the ongoing relevance of a religion whose social power and core commitments can contribute to a vision of a just human community.

The Letters and Legacy of Paul Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the letters and legacy of Paul excerpted from the *Fortress Commentary on the Bible: The New Testament* engages students in the work of biblical interpretation. Contributors connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. Each chapter (Romans through Philemon) includes an introduction and commentary based on three lenses: ancient context, the interpretative tradition, and contemporary questions and challenges. *The Letters and Legacy of Paul* introduces fresh perspectives and draws students, preachers, and interested readers into the challenging work of interpretation.

Abundance Not Capital Angelika Fitz, Elke Krasny, Architekturzentrum Wien, 2025-09-23 What if architecture were not an instrument of capital? How to imagine and build a non-extractivist and non-exploitative architecture? Capital's voracious appetite forces architecture into

a regime of never enough The current realities of building involve extraction and exploitation which in turn cause climate breakdown environmental ruin alienated labor conditions and the destruction of local construction knowledge But what if we could do architecture differently What does non extractivist architecture look like In this book Angelika Fitz and Elke Krasny introduce the concept of abundance to call for a paradigm shift in architecture Using as its example the exceptional work of architect Anupama Kundoo this book shows that non extractivist and non exploitative architecture is undeniably possible Kundoo born in Pune India weaves together innovative technological experimentation and traditional crafts With careful consideration of local resources building skills climate and environment she makes buildings that embody spatial beauty and graceful materiality *Abundance Not Capital* is a manifesto for creating a future forward alternative architecture Contributors Shumi Bose Jordan Carver Peggy Deamer Madhavi Desai Angelika Fitz Rupali Gupte Ranjit Hoskote Elke Krasny Charlotte Malterre Barthes Shannon Mattern and Laurie Parsons Copublished with Architekturzentrum Wien *God, Guns, Gold and Glory* Lauren Langman, George Lundskow, 2016-09-12 America beginning as a small group of devout Puritan settlers ultimately became the richest most powerful Empire in the history of the world but having reached that point is now in a process of implosion and decay This book inspired by Frankfurt School Critical Theory especially Erich Fromm offers a unique historical cultural and characterological analysis of American national character and its underlying psychodynamics Specifically this analysis looks at the persistence of Puritan religion as well as the extolling of male toughness and America's unbridled pursuit of wealth Finally its self image of divinely blessed exceptionalism has fostered vast costs in lives and wealth But these qualities of its national character are now fostering both a decline of its power and a transformation of its underlying social character This suggests that the result will be a changing social character that enables a more democratic tolerant and inclusive society one that will enable socialism genuine participatory democracy and a humanist framework of meaning This book is relevant to understanding America's past present and future Alt 42: Oral and Written African Poetry and Poetics Author Ernest N Emenyonu, 2024-11-19 Examines the state of African poetry today the continuing influence of Africa's pioneer poets today's new generation of poets and their work in written poetry and in the spoken word continuing oral indigenous traditions Almost half a century after ALT 6 and thirty three years after ALT 16 what is the state of poetry and poetics in Africa This volume of ALT highlights major developments and continuities in the practice of the art of poetry in the continent Contributions analyse new frontiers in the traditional African epic and the Yoruba or k genre and innovations in form and theme such as spoken word poetry shared on digital media and pandemic poetry in the wake of COVID 19 They compare and contrast the work of Romeo Oriogun Christopher Okigbo and Gabriel Okara and of T S Eliot and Kofi Anyidoho Other essays examine the complexities of translation from Ewe into English and the development of oral African poetry underscoring its dynamism and the centrality of performance The volume also includes interviews with poets Kofi Anyidoho Kwame Dawes and Kehinde Akano and tributes to Ama Ata Aidoo Altogether it highlights the richness and
