Beyond The Masquerade Unveiling The Authentic You:

Beyond the Masquerade Juli Slattery,2012-10-17 Many Christian women today are wearing masks From an early age we are taught that to be valuable we need to do more to be more To feel worthy we learn to hide behind the masks of our accomplishments physical appearance intelligence education relationships even our work in the church But those masks separate us from God from other people and from our true selves Thankfully there is hope We can remove our masks and trust Christ to see us as we really are but it takes humility To examine our hearts motives and past experiences requires honesty and confession But beyond the masquerade Christ can heal and transform our lives freeing us from bondage

The Beautiful Wife Sandy Ralya,2012-01-18 Marriage is hard work When Sandy Ralya s marriage was in trouble she was desperate for help but didn t know how to ask for it Everyone else s marriage seemed so perfect How could she admit hers was not Sandy eventually sought guidance from godly mentors and Christian counselors What she learned transformed her life and then her marriage Now she wants to provide other wives with the same nurturing and mentoring that saved her

relationship Whether your marital struggles are few or many *The Beautiful Wife* offers biblical principles practical tips and inspiring stories to guide and encourage you as you look for God's best in your marriage Back cover *Are You Watching Closely?* Seth Friedman, 2017-08-16 Identifies a new genre misdirection films and explains its appeal to contemporary producers and audiences *Are You Watching Closely* is the first book to explore the recent spate of misdirection films a previously unidentified Hollywood genre characterized by narratives that inspire viewers to reinterpret them retrospectively Since 1990 Hollywood has backed more of these films than ever before many of which including *The Sixth Sense* 1999 *A Beautiful Mind* 2001 and *Inception* 2010 were both commercial and critical successes Seth Friedman examines this genre in its sociocultural industrial and technological contexts to explain why it has become more attractive to producers and audiences The recent popularity of misdirection films Friedman argues is linked to new technologies that enable repeat viewings and online discussion which makes it enticing to an industry that depends increasingly on the aftermarket as well as to historically specific cultural developments That is in addition to being well suited for shifting industrial and technological conditions these films are appealing because they suggest that it remains possible to know what actually occurred and who was really responsible for events at a time when it is also becoming increasingly recognized that truth is relative *Are You Watching Closely* shows how Hollywood's effective strategies for these changing circumstances put it at the forefront of a storytelling trend that has increasingly become important across media Through close analyses of how misdirection films have been designed marketed and received in relation to their contexts Friedman demonstrates the ways in which they epitomize a kind of narrative experimentation that has become a crucial facet of twenty first century audiovisual storytelling
