Repacking Your Bags Richard J. Leider,David A. Shapiro,2008-11 Repacking Your Bags offers a new life work model a fresh way of thinking about what matters most in life and how to attain it **Grizzly Heart** Charlie Russell,2011-05-18 An absorbing first hand account of living with bears from the acclaimed author of The Spirit Bear To many people grizzlies are symbols of power and ferocity creatures to be feared and too often killed But Charlie Russell who has had a forty year relationship with

bears holds the controversial belief that it is possible to live with and truly understand bears in the wild And for five years now Russell and his partner artist and photographer Maureen Enns have spent summers on the Kamchatka peninsula located on the northeast coast of Russia and home of the densest population of brown bears in the world Grizzly Heart tells the remarkable story of how Russell and Enns have defied the preconceptions of wildlife officials and the general public by living unthreatened and respected among the grizzlies of Kamchatka In an honest and immediate style Russell tells of the trials and successes of their years in the field from convincing Russian officials to allow them to study to adopting three bear cubs left orphaned when their mother was killed by a hunter and teaching these cubs how to survive in the wild to raising environmental awareness through art Through a combination of careful study and personal dedication Russell and Enns are persuading people to reconsider the age old image of the grizzly bear as a ferocious man eater and perpetual threat Through their actions they demonstrate that it is possible to forge a mutually respectful relationship with these majestic giants and provide compelling reasons for altering our culture We have been able to live beautifully with these animals with no serious threat because of what we've learned Hopefully sharing what we learn will help people and be a big help to our bears too

over nature **Pianissimo** Catherine LaCroix,2016-12-06 In the second installment of The Silent Note Tobias and Ara s love continues to grow through their shared adoration of music and each other Tobias struggles to create the perfect song for Ara seeking assistance from those closest to him An unexpected source leads him in the right direction and his composition for her transforms into more than just a sweet melody Excerpt I knew I d arrived to the clearing early but I found it difficult to stifle my excitement The few days without my evening visits I spent counting down the seconds until I d see Ara again Even so I slept soundly those nights something I hadn t been afforded recently My days spent with my father and grandfather seemed to move a little faster and I tackled whatever faced me with my heart a little lighter The moon hid her face that evening but the light of my lantern was plenty for me to see by I lay out a blanket I d brought over the soft grass and set up a few plates of foods for us to enjoy during our time together Perhaps I d overdone myself a little snatching anything I could from our kitchens including a few bottles of ale But Ara was special and I wanted to create more evenings for her to remember When I was pleased with my arrangements I leaned back against the boulder that usually served as my seating place and took my lute from its case Strumming a few casual notes I fell easily into a pleasant melody experimenting with different rhythms and chords as I went Before I saw Ara I heard her flute matching perfect harmony and rhythm with my seemingly random tune When she stepped into the clearing she drifted into her own melody still keeping in tune and pace with my playing Within it I could feel her excitement and happiness her passion and pleasure Ara displaced her silence with music her songs were her voice and it was beautiful She danced the few steps from the edge of the thicket to my blanket and knelt before me holding one long pure note before ending her piece a clear sign for me to stop playing Hello Ara I greeted her unable to mask my grin She gave me a tiny bow her smile just as wide Shifting to a cross legged position she gestured to my display of foods with a questioning look I thought since we were out here for so long last time we could do with a little something to eat Lifting up her fist she held her thumb and her forefinger a few inches apart before narrowing her eyes and cocking her head A little Alright maybe it s more than necessary but we don t need to eat all of it I laughed **It's Not**
